Subject: Fire Report for November 2021

To Whom It May Concern:

The November 2021 fire reports for the City of Cupertino are enclosed.

Significant Events (Last Month): No significant events occurred and, consequently, there was no significant fire loss.

1. Incident Counts by Year (YTD): This bar graph represents the total incident count for YTD and for the past five years.
2. Incident Counts by Month: This bar graphs represents the incident count by month.
3. Incident and Response Counts by Hour of Day: This bar graph represents both unique incidents and unit responses by hour of day for the previous 12 months.
4. Average Response Times Analysis (by Unit ID): This table shows the average response times and count by urbanization code for units responding into the jurisdictional boundary.
5. Incident Counts by Type: This table provides the volume and percentage of code two and code three calls by incident category.
6. Incident Types: This pie chart provides a breakdown of the number of calls by incident category.
7. Dollar Loss by Month: This field shows the total dollar loss and incident count for the month.
8. Community Education and Risk Reduction Activities: This table shows the total number of attendees, programs, and staff hours at educational events for the month.

Please let me know if you have any questions about the data contained in this report.

Sincerely,

Jason Falarski
Deputy Chief
