Technology Resource Awareness (5 resources)
Of the five resources listed (see tables below for full list), respondents had the greatest awareness of public computers available at the Cupertino Library, and were most likely to have used the public WiFi available at some City buildings. Respondents were least aware of GetSetup.io, a virtual class platform with access sponsored by the Cupertino Library Foundation with support from the Cupertino Community Funding Grant Program.

Technology Resource Awareness	Technology classes held at the Cupertino Senior Center (Apple Assistance, Android workshops, iPhone and iPad workshops)		Public WiFi in City buildings (City Hall, Quinlan Community Center, Senior Center, etc.)		Public access computers at the Cupertino Library		Cupertino Library resource workshops (Kanopy, Creativebug, Freegal, NY Times Online, Universal Class, Flipster, Medici.TV, Discover and Go, Overdrive, PressReader, etc.)		Get Setup (getsetup.io)
