

RESOLUTION NO. 22-_____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CUPERTINO AMENDING THE OPERATING BUDGET FOR FISCAL YEAR 2021-22 BY APPROPRIATING, TRANSFERRING, AND UNAPPROPRIATING MONIES FOR SPECIFIED FUNDS

WHEREAS, the orderly administration of municipal government depends on a sound fiscal policy of maintaining a proper ratio of expenditures within anticipated revenues and available monies; and

WHEREAS, accomplishing City Council directives, projects and programs, and performing staff duties and responsibilities likewise depends on the monies available for that purpose; and

WHEREAS, the City Manager has determined that the balances from the funds specified in this resolution are adequate to cover the proposed amended appropriations, and therefore recommends the fund reallocations described herein.; and

NOW, THEREFORE, BE IT RESOLVED that the City Council does hereby approve the recommended fund reallocations and ratifies the attached amended appropriations as set forth in Exhibit A.

BE IT FURTHER RESOLVED that this Resolution is not a project under the requirements of the California Environmental Quality Act, together with related State CEQA Guidelines (collectively, "CEQA") because it has no potential for resulting in physical change in the environment. In the event that this Resolution is found to be a project under CEQA, it is subject to the CEQA exemption contained in CEQA Guidelines section 15061(b)(3) because it can be seen with certainty to have no possibility that the action approved may have a significant effect on the environment. CEQA applies only to actions which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. In this circumstance, the proposed action of studying a transit corridor would have no, or only a de minimis effect on the environment because the study would consider various improvements to the Stevens Creek Boulevard corridor and any future projects that result from this study that are classified as projects under CEQA

Resolution No. _____

would be required to undergo an environmental review. The foregoing determination is made by the City Council in its independent judgment.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of Cupertino this 21st day of June 2022, by the following vote:
