

## RESOLUTION NO. 18-\_\_

### A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CUPERTINO APPROVING GUIDELINES ENABLING AN 18-MONTH PILOT PROGRAM FOR DOCKLESS BICYCLE SHARING

WHEREAS, bike sharing is consistent with *General Plan: Community Vision 2015-2040* Policy ES-2.1.9: Energy Efficient Transportation Modes; and Policy M-4.7; and

WHEREAS, the City recognizes that dockless bicycle sharing systems have the potential to reduce local traffic congestion, reduce transportation-related greenhouse gas emissions and provide an alternative to driving in Cupertino; and

WHEREAS, the City has created guidelines for an 18-month pilot program to enable dockless bike share companies to operate human-powered and electric-propulsion bicycles within the City of Cupertino boundaries; and

WHEREAS, the 18-month Bicycle Share Pilot Program will provide residents and visitors with a clean transportation option with minimal cost to the City and staff time to administer the program; and

WHEREAS, electric scooters or other e-mobility devices will not be permitted as part of this pilot program.

NOW, THEREFORE, THE CUPERTINO CITY COUNCIL RESOLVES AS FOLLOWS:

1. The City Manager or designee is authorized to execute the Cupertino Dockless Bicycle Sharing Pilot Program guidelines; and
2. The guidelines may be amended by staff during the course of the pilot program as needed to ensure the safe and orderly operation of a bicycle share program during the course of the 18-month pilot program.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of Cupertino this 20<sup>th</sup> day of November 2018, by the following vote:
