**Re: Notice of City Council Meeting – Blackberry Farm Entrance Road Improvements Feasibility Study**

Dear Blackberry Farm neighbor,

On September 15, the Cupertino City Council will receive a presentation on proposed alternatives to improve the San Fernando Avenue entrance to Blackberry Farm. The City Council may choose to endorse one of five alternatives and dedicate a portion of land along the south side of 10301 Byrne Avenue to support future improvements.

The City will not be requesting additional funding for design or improvements at the meeting.
