# Community Chipping Program 2023

**Online Applications Open March 13, 2023**

Applications will be accepted in the order received.  
Space is limited, apply early.

## About Chipping Program

The Santa Clara County FireSafe Council Chipping Program is a **FREE** program that assists residents and communities in their efforts to create and maintain adequate and safe defensible space by processing or disposing vegetation such as brush and tree branches. Required defensible space clearing is 0-100 feet from permanent structures. Due to the varying natures of hillside neighborhoods, different types of chipping services may be necessary.
