<<Owner City>>, <<Owner State>> <<Owner ZIP Code>>

RE: <<APN>>

<<Property Address>>

Dear Property Owner,

Each year, the Santa Clara County Fire Department partners with your city/town to conduct Wildland Fire Safety Inspections. As a property owner in a designated Fire Hazard Severity Zone of the Wildland Urban Interface (WUI), you will receive a packet in the mail with important information about your property and guidelines for protecting your home, family, and community from the threat of wildfires. The packet includes a property self-inspection card that can be completed and returned by mail or online with the provided QR code.

Our records indicate that we did not receive a completed self-inspection card for your property last year. California wildfires have become a year-round reality, and self-inspections are a key component in our efforts to effectively mitigate wildfire risk in the community.

In the coming weeks, you will receive this year's community wildfire preparedness packet, including a property self-inspection card. Please take the time to complete and return the self-inspection card when you receive it.

If you have questions, please contact the Fire Prevention Division of the Santa Clara County Fire Department at (408) 341-4420 or [prevention@sccfd.org](mailto:prevention@sccfd.org). Thank you for your cooperation as we continue to work together to build fire-resilient communities.

Sincerely,

Hector R. Estrada, Deputy Chief  
Fire Prevention Division
