RE: <<Property Address>> / APN: <<APN>>

Dear Property Owner,

Each year, the Santa Clara County Fire Department (SCCFD) partners with the City of Cupertino to conduct Wildland Fire Safety Inspections. As a property owner in a designated Fire Hazard Severity Zone of the Wildland Urban Interface, you must comply with the minimum fire safe regulations. SCCFD continues to be committed to achieving fire resilience for our residents and our community. The enclosed packet provides information about your property and how to protect your home, family, and community from the threat of wildfires.

This packet also includes a property self-inspection card that can be completed and returned by mail or online with the provided QR code. Self-inspections are a key component in our efforts to mitigate wildfire risk in the community and are essential for maintaining defensible space. When combustible vegetation is removed or reduced around structures, the defensible space buffer can slow or stop the spread of wildfire.

Your property is in a **High/Moderate Fire Hazard Severity Zone** of the Wildland Urban Interface Area and requires **30 feet** of defensible space from all structures. The enforced safety regulations for your property include:

**Enforced Safety Regulations (Items A - F)**

- A. Create **30 feet** of defensible space around your home. To accomplish this, you must clear all flammable vegetation a **minimum of 30 feet** around structures.
- B. Remove pine needles, leaves, and other dead vegetation from roofs, eaves and rain gutters.
- C. Trim tree limbs 10 feet from chimneys and stove pipes; remove dead limbs that hang over rooftops.
- D. Remove all non-fire-resistive vegetation a minimum of 10 feet on each side of a fire apparatus access road or driveway.
- E. Cover chimney outlets or flues with a 1/2" mesh spark arrester.
- F. Post a clearly visible house address, using at least 4" high numbers, for easy identification. For homes located more than 50 feet from the street, post address numbers at the driveway entrance.

**Additional Safety Recommendations**

- Create and maintain a 5-foot noncombustible zone around all structures, including decks.
- Clear 10 feet around and 15 feet above fuels (e.g., woodpiles, lumber, and scrap). Move woodpiles as far away as possible from all structures.
- Clear vegetation and other combustible material from underneath decks. Enclose elevated decks with fire-resistive materials.
- Trees 18 feet or taller should be limbed up 6 feet from the ground. Provide additional vertical clearance when trees have vegetation beneath them.

Owner Responsibilities:

- 1. Please ensure that your property satisfies the requirements above. You have the option to complete the required work yourself or hire your own contractor. For information about vegetation abatement services, visit WeedAbatement.SCCgov.org or call 408.282.3145.
- 2. Please either complete and return the attached property self-inspection card **OR** scan the QR Code below to report the current status of your property before *April 1, 2023*.

Inspection Schedule:

On *April 1, 2023*, SCCFD will begin conducting property inspections. Property owners not in compliance will be notified of what work needs to be completed to comply with the Enforced Safety Regulations. Please contact us if you are unable to complete the required work due to late season rains or other special circumstance.

On *June 1, 2023*, we will begin conducting re-inspections of the properties that were out of compliance at the time of the first property inspection. If your property fails to comply with Items A, B, C, or D of the Enforced Safety Regulations specified above, the compliance work will be completed by the **City of Cupertino's** authorized contractor, and the charges for this service will appear on your next property tax bill.

SCCFD will be hosting several community wildfire preparedness webinars; please see the enclosed flyer for details. If you have concerns regarding the safety compliance of your property, a limited number of courtesy property inspections will be available during the month of April. For questions or to request a courtesy property inspection, please contact the Fire Prevention Division at 408.341.4420.

Sincerely,  
  
Hector R. Estrada, Deputy Chief  
Fire Prevention Division
