

**NOTICE OF INTENT  
TO ADOPT REGULATIONS ON WATER USE**

NOTICE IS HEREBY GIVEN that on May 2, 2017 at 6:45p.m., the City Council of the City of Cupertino will consider adoption of its 2017 Regulations for Water Use. The 2016 Regulations for Water Use expired March 1, 2017 and were originally adopted to meet the 2016 Santa Clara Valley Water District (SCVWD) reduction goal of 20% as compared to 2013 water use. For 2017, the SCVWD has continued its 20% reduction goal. If adopted, the 2017 Regulations for Water Use would continue to encourage the ongoing conservation of water and will apply to all of Cupertino. The proposed Regulations are available on the City's website at [www.cupertino.org/2017WaterRegulations](http://www.cupertino.org/2017WaterRegulations). Any questions please contact the City of Cupertino Public Works Department at Phone: (408) 777-3354, Fax: (408) 777-3333. Council meets at 6:45 p.m., Community Hall Council Chamber, 10350 Torre Avenue, Cupertino, California. Interested parties are invited to attend and be heard. If you wish to challenge the action of the City Council in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City of Cupertino at, or prior to, the public hearing.
