 _____, [Address of Contractor] (“Contractor”), and the CITY OF CUPERTINO, a Municipal Corporation of the State of California (“City”) acting under and by virtue of the authority vested in the City by the laws of the State of California.

WHEREAS, City, on the ____ day of _____, 20____ awarded to Contractor the following Project:

**PROJECT NUMBER 2017-111

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth, Contractor and City agree as follows:

Article 1. Work

Article 2. Agency and Notices to City

- 2.1 City has designated _____ to act as City’s Authorized Representative(s), who will represent City in performing City’s duties and responsibilities and exercising City’s rights and authorities in Contract Documents. City may change the individual(s) acting as City’s Authorized Representative(s), or delegate one or more specific functions to one or more specific City’s Representatives, including without limitation engineering, architectural, inspection and general administrative functions, at any time with notice and without liability to Contractor. Each City’s Representative is the beneficiary of all Contractor obligations to City, including without limitation, all releases and indemnities.
- 2.2 City has designated _____ Consultant. City may change the identity of the Consultant at any time with notice and without liability to Contractor.
- 2.3 City has designated _____ to act as Construction Managers. City may change the identity of the Construction Manager at any time with notice and without liability to Contractor.

Article 3. Contract Time and Liquidated Damages

- 3.1 Contract Time.

The Contract Time will commence to run on the date indicated in the Notice to Proceed. City may give a Notice to Proceed at any time within 30 Days after the Notice of Award. Contractor shall not do any Work at the Site prior to the date on which the Contract Time commences to run.

Contractor shall achieve **Final Completion** of the entire Work and be ready for Final Payment in accordance with Section 00700 (General Conditions) within 60 working days. All work shall be complete by December 1, 2017.

3.2 Liquidated Damages.

City and Contractor recognize that time is of the essence of this Contract and that City will suffer financial loss in the form of contract administration expenses (such as project management and consultant expenses), if all or any part of the Work is not completed within the times specified above, plus any extensions thereof allowed in accordance with the Contract Documents. Consistent with Document 00700 (General Conditions), Contractor and City agree that because of the nature of the Project, it would be impractical or extremely difficult to fix the amount of actual damages incurred by City because of a delay in completion of all or any part of the Work. Accordingly, City and Contractor agree that as liquidated damages for delay Contractor shall pay City:

- 3.2.1 **\$5,000** per Calendar Day per location for failure to place temporary markers prior to opening asphalt areas to traffic.
- 3.2.2 **\$1,000** per Calendar Day per street for failure to install permanent striping within 21 calendar days.

- 3.2.6 Three Months Salary for each Key Personnel named in Contractor's SOQ pursuant to Article 2.G of Document 00450 (Statement of Qualifications for Construction Work) who leaves the Project and/or Contractor replaces at any point before Final Completion, for any reason whatsoever, that Contractor can demonstrate to City's satisfaction is beyond Contractor's control.

Liquidated damages shall apply cumulatively and, except as provided below, shall be presumed to be the damages suffered by City resulting from delay in completion of the Work.

Contractor should be aware that California Department of Fish and Game, and other State and Federal agencies, may also levy fines and penalties for the harming, harassing or killing of protected wildlife and endangered species. Contractor hereby agrees to become familiar with and adhere to wildlife and endangered species protection requirements.

- 3.3 Liquidated damages for delay shall only cover administrative, overhead, interest on bonds, and general loss of public use damages suffered by City as a result of delay. Liquidated damages shall not cover the cost of completion of the Work, damages resulting from defective Work, lost revenues or costs of substitute facilities, or damages suffered by others who then seek to recover their damages from City (for example, delay claims of other contractors, subcontractors, tenants, or other third-parties), and defense costs thereof.
