

City of Cupertino FY 2017 Annual Action Plan

Annual Update of the City's Consolidated Plan for Period
July 1, 2017 to June 30, 2018

Public Review and Comment Period
June 1, 2017- June 30, 2017

*Prepared by the Department of Community Development
10300 Torre Avenue
Cupertino, CA 95014*

Approved by City Council

Resolution No. _____

Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

Introduction

The City of Cupertino is an entitlement jurisdiction that receives federal funding from the Department of Housing and Urban Development (HUD) through the Community Development Block Grant (CDBG) Program.

The purpose of CDBG funding is to help jurisdictions address their community development needs. CDBG grantees are eligible to use the resources they receive for Public Services, Community and Economic Development, Capital Improvement Projects (CIP) Public Facilities/Infrastructure, and CIP Housing Rehabilitation. Public Service projects provide social services and/or other direct support to individuals and households in need of assistance. Community and Economic Development projects are focused on assisting businesses and organizations with small business loans, façade improvements, and other initiatives. CIP Public Facilities/Infrastructure projects are those which aim to improve public facilities and infrastructure. CIP Housing Rehabilitation projects are for housing rehabilitation improvements of single and multi-unit housing.

A total of \$328,048 is available for funding projects and programs during the 2017 Program Year which correlates with the City Fiscal Year (FY) 2018. The City anticipates receiving \$311,943 from the federal CDBG program. In addition, the City anticipates approximately \$7,944 in program income and \$8,161 in reallocated funds from previous years.

Cupertino has access to a variety of federal, state, and local resources to achieve its housing and community development priorities. Table A, FY 2018 CDBG Budget, summarizes the uses of the funds proposed during FY 2017. Specific funding resources will be utilized based on the opportunities and constraints of each particular project or program.

Table A. Fiscal Year 2018 Budget

Applicant Agency	Budget
Public Service	
West Valley Community Services – Community Access to Resource and Education	\$32,488.00
Live Oak Adult Day Services – Senior Adult Day Care	\$15,495.00
<i>Subtotal:</i>	\$47,983.00
Planning and Administration	
Administration	\$63,977.00
2017 Program Income (PI)	\$7,944.00
CDBG Capital/Housing Project Applications (One-Year Funding Cycle, FY 2017/18)	
Rebuilding Together Silicon Valley – Housing Repair and	\$64,000.00

Rehabilitation Program	
West Valley Community Services – Vista Village Rehabilitation Project	\$152,088.00
<i>Subtotal:</i>	\$216,088.00
Grand Total	\$328,048.00

Summarize the objectives and outcomes identified in the Plan

The City of Cupertino is a city in Santa Clara County (County), directly west of San Jose on the western edge of the Santa Clara Valley with portions extending into the foothills of the Santa Cruz Mountains. The population was 58,302 at the 2010 census. The City has the most educated residents in the country and is one of the most expensive cities to live in. Attachment 1 provides a summary of the Needs Assessment in the 2015-2020 Consolidated Plan.

Evaluation of past performance

The City is responsible for ensuring compliance with all rules and regulations associated with the CDBG and HOME entitlement grant programs. The City's Annual Action Plans and CAPERs have provided many details about the goals, projects and programs completed by the City.

The City recognizes that the evaluation of past performance is critical to ensure the City and its subrecipients are implementing activities effectively and that those activities align with the City's overall strategies and goals. The City evaluates the performance of subrecipients providing public services on a quarterly basis. Subrecipients are required to submit quarterly progress reports, which include client data, performance objectives, as well as data on outcome measures. Prior to the start of the program year, program objectives are developed collaboratively by the subrecipient and the City, ensuring that they are aligned with the City's overall goals and strategies. The City utilizes the quarterly reports to review progress towards annual goals.

Cupertino was successful in addressing the goals and objectives cited in the FY 2015-16 (July 1, 2015 – June 30, 2016) Action Plan. The CDBG funds were used to carry out activities that benefited low- and moderate-income persons. Only CDBG administration funds did not directly serve low- and moderate-income persons. Eligible funded public service activities included fair housing, food, clothing, senior services and emergency housing services. These activities continue to make a positive impact on identified needs in the community and are providing services that might otherwise have gone unmet. Eligible funded capital housing projects included a single family residence minor repair program which served low-income homeowners city-wide by addressing accessibility and health and safety measures and a multi-family residential rehabilitation project. As can be expected, community needs continue to exceed the available resources.

Summary of Citizen Participation Process and Consultation Process

The City, in collaboration with other jurisdictions and a consultant team, launched a comprehensive outreach strategy to enhance and broaden citizen participation in the preparation of the Consolidated Plan. The team informed the public that it was in the process of creating the 2015-2020 Consolidated Plan, and encouraged public participation in the process by conducting a Regional Needs Survey and hosting regional forums in collaboration with other jurisdictions in the County, and conducting local hearings.

In addition to the extensive consultation conducted for the Consolidated Plan, as noted above, the City solicited additional input for the FY 2017-18 Annual Action Plan. As required by HUD, the City provides multiple opportunities for public review and comment on the Action Plan and on any substantial amendments to it.

Per the City's adopted Citizen Participation Plan, the City held a 30 day public review comment period for the Action Plan. The City published notifications of upcoming public hearings and the 30 day public review comment period in the local Cupertino Courier newspaper of general circulation. The City held two advertised public hearings on June 8, 2017 and June 20, 2017. The Action Plan 30 day public review period occurred from June 1, 2017 through June 30, 2017.

Summary of public comments

To date, no comments have been received.

Summary of comments or views not accepted and the reasons for not accepting them

The City accepts and responds to all comments that are submitted. As mentioned above, no public comments were received regarding the FY 2018 Action Plan.

Summary

Please see discussion above.

PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

The City is the Lead and Responsible Agency for the HUD entitlement program in Cupertino. The Community Development Department is responsible for administering the City's HUD entitlement grants, including the CDBG grant. By federal law, the City is required to submit to HUD a five-year Consolidated Plan and Annual Action Plans listing priorities and strategies for the use of federal funds.

Table 1 – Responsible Agencies

Agency Role	Name	Department/Agency
Lead Agency	Cupertino	
CDBG Administrator	Cupertino	Community Development Department

The Consolidated Plan shows how the City plans to use its CDBG funds to meet the housing and community development needs of its residents. To update its 2015-2020 Consolidated Plan, the City collaborated with the County of Santa Clara (County) and other entitlement jurisdictions in the County to identify and prioritize housing and community development needs across the region, and to develop strategies to meet those needs. The FY 2016/17 Annual Action Plan represents the second year of CDBG funding of the 2015-2020 Consolidated Plan.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

Introduction

The Action Plan is a one-year plan which describes the eligible programs, projects and activities to be undertaken with funds expected during FY 2017-18 (July 1, 2017 – June 30, 2018) and their relationship to the priority housing, homeless and community development needs outlined in the 2015-20 Consolidated Plan.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

During FY 2017-18, the City will continue to work with non-profit organizations in providing programs and services for low-income households; private industry, in particular financial and development groups, to encourage the development of affordable housing opportunities regionally and in the City; and other local jurisdictions in carrying out and monitoring regional projects in a coordinated and cost-effective manner. The City will provide technical assistance to the public service agencies it funds and will continue to attend the Regional CDBG/Housing Coordinators meeting.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The Santa Clara County Continuum of Care (CoC) is a multi-sector group of stakeholders dedicated to ending and preventing homelessness in the County. The CoC's primary responsibilities are to coordinate large scale implementation of efforts to prevent and end homelessness in the County. The CoC is governed by the Santa Clara CoC Board (CoC Board), which stands as the driving force committed to supporting and promoting a systems change approach to preventing and ending homelessness in the County.

The CoC Board is comprised of individuals who also serve on the Destination: Home (D:H) Leadership Board. D:H is a public-private partnership committed to collective impact strategies to end chronic homelessness, and leads the development of community wide strategy related to the CoC's work.

Currently, the County's Office of Supportive Housing (OSH) is the Collaborative Application for the CoC. OSH is responsible for implementing by-laws and protocols that govern the operations of the CoC and ensuring that the CoC meets the requirements outlined under the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH). In 2015, D:H and the CoC released a Community Plan to End Homelessness in the County (the Plan), which outlined a roadmap for community-wide efforts to end homelessness in the County by 2020. The strategies and action steps included in the plan were informed by members who participated in a series of community summits designed to address the needs of homeless populations from April to August 2014. The Plan identifies strategies to address the needs of

homeless persons in the County, including chronically homeless individuals and families, families with children, veterans, and unaccompanied youth. Additionally, it also intended to address the needs of persons at risk of homelessness.

The City participates in the CoC. The City's Senior Housing Planner regularly attends the CoC meetings. Members of the CoC meet on a monthly basis in various work groups to ensure successful implementation components of the Plan action steps. A Community Plan Implementation Team, which includes members of the CoC and other community stakeholders, meets quarterly to evaluate progress toward the Plan's goals, identify gaps in homeless services, establish funding priorities, and pursue an overall systematic approach to address homelessness.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City does not receive ESG funds.

Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities.

The City consulted with various groups and organizations as part of the 2015-2020 Consolidated Plan process. Table 2, Agencies, groups, organizations who participated in the Consolidated Plan lists all of those parties who participated in the process.

AP-12 Participation – 91.105, 91.200(c)

Summary of citizen participation process/Efforts made to broaden citizen participation Summarize citizen participation process and how it impacted goal-setting

The Housing Division of the Community Development Department is the lead agency for overseeing the development of the Consolidated Plan and Action Plan.

Per the City's adopted Citizen Participation Plan, the City is to allow a 30 day public review comment period for the Action Plan. The City has published notifications of upcoming public hearings and the 30 day public review comment period in the local Cupertino Courier newspaper of general circulation. The City held two advertised public hearings on June 8, 2017 and June 20, 2017. The Action Plan 30 day public review period occurred from June 1, 2017 through June 30, 2017. The City has not received any public comments to-date.

Citizen Participation Outreach

Table 4 – Citizen Participation Outreach

Sort Order	Mode of Outreach	Target of Outreach	Summary of response/attendance	Summary of comments received	Summary of comments not accepted and reasons	URL (If applicable)
1	Public Meeting	Non targeted/broad community	The Housing Commission met on June 8, 2017 to discuss the FY 17/18 funding allocations.	Non-profit agencies discussed their funding request and thanked the City for its continued support.	Not applicable	
2	Public meeting	Non targeted/broad community	The City Council held a public hearing on June 20, 2017 to discuss the FY 17/18 funding allocations.	There were no public comments received on the Action Plan.	Not applicable	
3	Public meeting	Non targeted/broad community	A public hearing notice was published in the Cupertino Courier and the public comment period was held from June 1, 2017 through June 30, 2017.	There were no public comments received on the draft FY17 Action Plan.	Not applicable	

AP-15 Expected Resources – 91.220(c) (1, 2)

Introduction

In FY 2018, the City will allocate approximately \$328,048 to eligible activities that address the needs identified in the Consolidated Plan.

Table 5 - Expected Resources – Priority Table

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Reminder of ConPlan \$	Narrative Description
			Annual Allocation: \$	Program Income: \$	Prior Year Resources: \$	Total: \$		
CDBG	Public-Federal	Acquisition and Planning Economic Development Housing Public Improvements Public Services	\$311,943	\$7,944	\$8,161	\$328,048	\$0	CDBG funds will be used for the creation and preservation of affordable housing units and public services that benefit low-income and special needs households.

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Entitlement Funds

The City leverages financial resources to maximize the reach and impact of the City's HUD programs. The City joined the Santa Clara County HOME Consortium in 2015. HOME funds can be used to fund eligible affordable housing projects for acquisition, construction, and rehabilitation. Starting in FY 2015-16, developers of affordable housing projects were eligible to competitively apply through an annual RFP process. Applications are submitted to the County OSH for the HOME funds to help subsidize affordable housing projects within the City. If the City receives HOME funds from its participation in the HOME Consortium, the required 25 percent matching funds will be provided from the City's Below Market Rate Affordable Housing Fund (BMR AHF). Currently, the BMR AHF had an available balance of approximately \$6 million. To date, no projects in the City have applied for HOME Consortium funds.

Other Federal Grant Programs

In addition to the entitlement dollars listed above, the federal government has several other funding programs for community development and affordable housing activities. These include: the Section 8 Housing Choice Voucher Program, Section 202, Section 811, the Affordable Housing Program (AHP) through the Federal Home Loan Bank, and others. It should be noted that, in most cases, the City would not be the applicant for these funding sources as many of these programs offer assistance to affordable housing developers rather than local jurisdictions.

County of Santa Clara and Local Housing and Community Development Sources

There are a variety of countywide and local resources that support housing and community development programs. Some of these programs offer assistance to local affordable housing developers and community organizations while others provide assistance directly to individuals. These resources are discussed below:

Below Market-Rate (BMR) Affordable Housing Fund (AHF)

The BMR AHF receives its revenue from the payment of housing mitigation fees from non-residential (office, commercial, retail, research and development (R&D), hotel and industrial) and residential development. The non-residential housing mitigation fee jobs/housing nexus study acknowledges housing needs created by the development of office, commercial, retail, hotel, R&D and industrial development. A fee is applied to new square footage of non-residential development in the City. The fees collected are deposited in the City's BMR AHF and are to be used for the provision of affordable housing.

A portion of the BMR AHF funds will be targeted to benefit extremely low-income households and persons with special needs (such as the elderly, victims of domestic violence, and the disabled, including persons with development disabilities).

General Fund Human Service Grants (HSG) Program

Annually the City Council allocates approximately \$40,000 from the General Fund to public and human service agencies within the City.

West Valley Community Services (WVCS)

WVCS is a non-profit organization that administers affordable housing programs in-house which include providing support services to homeless individuals and managing a transitional housing facility.

Housing Trust Silicon Valley (HTSV)

The HTSV is a public/private venture, dedicated to increasing affordable housing in the County. The HTSV makes available funds for developers to borrow for the construction of the affordable units. Cupertino originally contributed \$250,000 to the fund and accessed the fund to assist in the development of Vista Village, a 24-unit affordable apartment complex constructed by BRIDGE Housing and Cupertino Community Services. Subsequently, the City contributed \$25,000 in 2008, 2009 and 2010 and an additional \$1,000,000 in 2011. The City's one million dollar contribution has been committed to an affordable senior development in the City.

Mortgage Credit Certificate (MCC) Program

The MCC program provides assistance to first-time homebuyers by allowing an eligible purchaser to take 20% of their annual mortgage interest payment as a tax credit against federal income taxes. The County administers the MCC Program on behalf of the jurisdictions in the County, including Cupertino. The program does establish maximum sales price limits on units assisted in this program and, due to the high housing costs in Cupertino, there have been few households assisted in Cupertino in recent years.

Santa Clara County Affordable Housing Fund (SCCAHF)

In July 2002, the County Board of Supervisors created an Office of Affordable Housing and established a housing trust fund in the amount of \$18.6 million to be used for affordable housing developments. The primary goal of the fund is to leverage funding with other sources and create affordable housing in the County.

Density Bonus Ordinance

The City's Density Bonus Ordinance allows up to a 35% increase in density for developments greater than 5 units that provide a proportion of units for very low- or low-income households or housing for senior citizens. In addition to the density bonus, certain incentives and/or concessions may also be eligible for the developer to apply for.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City has no surplus vacant land that would be available for the development of housing or services.

The City of Cupertino FY 2017-2018 Action Plan covers the time period from July 1, 2017 to June 30, 2018 (HUD Program Year 2017). The City's FY 2018 entitlement amount is \$311,943. Additionally, the City estimates approximately \$7,944 in program income and an estimated \$8,161 in available uncommitted funds from the prior program year, bringing the total estimated budget for FY 2017-2018 to \$328,048.

While HUD allocations are critical, the allocations are not sufficient to overcome barriers and address all needs that low-income individuals and families face in attaining self-sufficiency. The City will continue to leverage additional resources as described above to provide support and services to the populations in need within the community.

The City is not eligible to receive direct funding under the HOME Investment Partnership Act (HOME), Emergency Solutions Grant (ESG), or Housing Opportunities for Persons with AIDS (HOWPA). These programs are also covered under the Consolidated Plan Regulations.

Discussion

Please see information provided in previous sections.

Annual Goals and Objectives

AP-20 Annual Goals and Objectives - 91.420, 91.220(c)(3)&(e)

Goals Summary Information

Table 1 – Goals Summary

	Goal Name	Start Year	End Year	Category	Geographic Area	Needs Addressed	Projected Annual Funding	Goal Outcome Indicator
1	Affordable housing	2015	2020	Affordable Housing	N/A	Affordable Housing	CDBG \$64,000	Rental units rehabilitated: 12 housing units Homeowner housing units rehabilitated: 7 Housing Units
2	Homelessness	2015	2020	Homeless	N/A	Homelessness	CDBG: \$32,488	Public service activities other than for low/mod income housing benefit: 100 persons assisted
3	Strengthen Neighborhoods	2015	2020	Non-housing community development Non-homeless special needs	N/A	Community services and public improvements	CDBG \$15,495	Public service activities other than for low/mod income housing benefit: 11 persons assisted Public facility or infrastructure activities other than for low/mod income housing benefit: 17 persons assisted

Goal Descriptions

Table 2 – Goal Descriptions

1	Goal Name	Affordable Housing
	Goal Description	Assist in the creation and preservation of affordable housing for low-income and special needs households
2	Goal Name	Homelessness
	Goal Description	Support activities to prevent and end homelessness
3	Goal Name	Strengthen Neighborhoods
	Goal Description	Support activities that strengthen neighborhoods through the provision of community services and public improvements to benefit low-income and special needs households
4	Goal Name	Fair Housing
	Goal Description	Promote fair housing choice

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b):

Not applicable.

AP-35 Projects – 91.220(d)

The Consolidated Plan goals below represent high priority needs for the City and serve as the basis for the strategic actions the City will use to meet these needs. The goals, listed in no particular order, are:

1. Assist in the creation and preservation of affordable housing for low-income and special needs housing
2. Support activities to prevent and end homelessness.
3. Support activities that strengthen neighborhoods through the provision of community services and public improvements to benefit low-income and special needs households.
4. Promote fair housing choice.

1	City of Cupertino – Planning & Administration
2	West Valley Community Services – Community Access to Resource and Education (CARE)
3	Eden Council for Hope and Opportunity – Fair Housing Services
4	Live Oak Adult Day Services – Senior Adult Day Care
5	Rebuilding Together Silicon Valley – Housing Repair and Rehab Program
6	West Valley Community Services – Vista Village Rehabilitation Project

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs.

The City awards CDBG funding to nonprofit agencies to provide public services and housing for low-income and special needs households. The City operates on a two-year grant funding cycle for CDBG public service grants (FY 2017-2019), and a one-year cycle for CDBG capital housing projects (FY 2017-2018). Projects are only considered for funding within the Consolidated Plan period if they address the goals discussed above. The City's overall allocation priorities are as follows:

- CDBG administrative funds will not exceed the 20 percent cap of the estimated entitlement amount and program income.
- CDBG public service funds will not exceed the 15 percent cap of the estimated entitlement amount and program income.
- The remainder of CDBG funds (65 percent) is proposed to be allocated toward eligible capital housing projects.
- Available uncommitted funds from the prior FY is proposed to be allocated for additional eligible CDBG capital housing projects.

AP-38 Projects Summary

Table 3 – Project Summary

1	Name of Organization:	Live Oak Adult Day Services
	Project Name:	Senior Adult Day Care
	Target Area:	N/A
	Goal Supported:	Strengthen Neighborhoods.
	Needs Addressed:	Community services
	Funding:	CDBG \$15,495
	Description:	Provides specialized program of adult day care for frail elderly dependent adults who are residents of the City of Cupertino.
	Target Date:	June 30, 2018
	Estimated the number and type of families that will benefit from the proposed activities	21 unduplicated frail, depended, low-income Cupertino seniors.
	Location Description:	Serves all residents. Services provided at 20920 McClellan Road, Cupertino.
	Planned Activities	Provide services for seniors at-risk of being institutionalized. Provide specialized program such as recreation, mental stimulation, companionship and meals to seniors.
2.	Name of Organization:	West Valley Community Services (WVCS)
	Project Name:	Community Access to Resource and Education (CARE)
	Target Area:	N/A
	Goal Supported:	Strengthen neighborhoods and homeless.
	Needs Addressed:	Community Services and Homeless Services
	Funding:	CDBG \$32,488
	Description:	Support activities to prevent and end homelessness and support activities that strengthen neighborhoods through the provision of community services and public improvements to benefit low- income and special needs households.
	Target Date:	June 30, 2018
	Estimated the number and type of families that will benefit from the proposed activities:	Serve a total of 100 unduplicated households by providing case management and support services.
	Location Description:	Citywide

	Planned Activities:	The CARE program incorporates both case management and wrap around services to help at-risk and vulnerable household's manage crisis and provide stabilization to help them move towards self-sufficiency. The target population of the CARE program includes low-income seniors, families with children, at-risk youth and adults. The CARE program includes case management, access to food pantry and emergency financial assistance.
3.	Name of Organization:	Rebuilding Together Silicon Valley (RTSV)
	Name of Program:	Housing Repair and Rehabilitation Project
	Target Area	N/A
	Goal Supported:	Affordable housing
	Needs Addressed:	Community services, health and safety repairs and affordable housing
	Funding:	CDBG \$64,000
	Description:	Preserves affordable housing by transforming homes through critical repairs, accessibility modifications and energy efficient upgrades for low-income homeowners and community centers, at no cost to the service recipient. The majority of the low-income homeowners served are elderly seniors and/or people with disabilities, who are physically and financially unable to maintain safe and warm living conditions for themselves and their families
	Target Date	June 30, 2018
	Location Description:	Citywide
	Planned Activities:	Provide home safety repairs, mobility and accessibility improvements for low- income households in Cupertino with the primary consideration being the correction of safety hazards.
4.	Name of Organization:	West Valley Community Services
	Name of Program:	Vista Village Rehabilitation Project
	Target Area:	N/A
	Goal Supported:	Affordable Housing
	Needs Addressed:	Community services, health and safety repairs and affordable housing.
	Funding:	\$152,088
	Description:	This project will help repair Vista Village BMR rental complex. The complex owned by WVCS was built in 2002. The complex features one bedroom and two bedroom units. The repair includes interior repairs of 7 units that have residents living there for more that10 years. The repairs include: laminate flooring, painting of the units, new kitchen countertop, new laminate floor for bathroom. The exterior repairs with are due to normal wear and tear includes front landing and stair repair, exterior painting, drought resistant landscape, fence repair, and resealing of the parking lot.
	Target Date:	June 30, 2018
	Location Description	10104 Vista Drive, Cupertino, CA 95014
	Planned Activities:	The total project scope includes the following: 1. Repair seven housing units, including new flooring, kitchen counter

		<p>top, interior painting, and new toilets. The residents of these units moved into their apartment in 2002 when the Vista Village complex was first built, and no significant repairs have been conducted since then. There are four one bedroom units and three two bedroom units that require these repairs. The cost also includes motel relocation expenses for the residents currently occupying these units. Residents will need to be briefly relocated in order to complete this work.</p> <ol style="list-style-type: none"> 2. Landing repairs-Several landing areas throughout the complex need repair. Due to drought and now rain, the wood is rotting and chipping away. This will become a safety concerns if not addressed soon. This project also takes into consideration the cost associated with relocating some of the residents who live on the second floor as the work on the landing will prohibit them from entering and exiting their units. 3. Stairs and railing replacement as needed due to similar issues of rotting wood. 4. Vista landscaping- This will include broken fence repair, sprinkler repair, removing trees that are dead or rotting and replacing plants and shrubs with landscaping that is drought resistant. We will also level the ground as several areas are flooding due to uneven ground and soil erosion. 5. Exterior LED Lighting – The complex is not currently well lit and this will help save energy and provide a safe and well-lit environment for our residents. 6. Reseal the driveway and repair parking posts- Due to wear and tear, several areas of the driveway have bumps and dips. Several parking posts and gutters are damaged around the complex. 7. Exterior paint-The units have not been painted since 2002, and a full exterior paint treatment will refresh the complex and the local community.
5.	Name of Organization:	City of Cupertino
	Name of Project:	Administration and Planning
	Target Area:	N/A
	Goal Supported	Affordable housing, Homelessness, Strengthen Neighborhoods, Fair Housing
	Need Addressed	Affordable housing, Homelessness, Strengthen Neighborhoods, Fair Housing
	Funding:	CDBG \$63,977
	Description:	Planning and administration
	Target Date:	June 30, 2018
	Location Description:	City of Cupertino, Community Development & Public Works Department 10300 Torre Avenue, Cupertino, CA 95014
	Planned Activities:	Administer the Administrative costs for the overall management, coordination, and evaluation of the CDBG program, and the project delivery costs associated with bringing projects to completion.

AP-50 Geographic Distribution – 91.220(f)**Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed**

Not applicable. The City has not established specific target areas to focus the investment of CDBG funds.

Please see discussion above.

Affordable Housing

AP-55 Affordable Housing – 91.220(g)

The City identified affordable housing as a primary objective for the expenditure of CDBG funds in the Consolidated Plan. Although CDBG entitlement dollars are limited, the City does anticipate expending a significant portion of its CDBG funds on the preservation and provision of affordable housing. A detailed discussion of how HUD entitlements will be used to support affordable housing needs within the City is provided in AP-20, with the number of households to be assisted itemized by goal.

Table 11. One Year Goals for Affordable Housing by Support Requirement

One Year Goals for the Number of Households to be Supported	
Homeless	0
Non-Homeless	7
Special-Needs	12
Total	19

Table 12 - One Year Goals for Affordable Housing by Support Type

AP-60 Public Housing – 91.220(h)

Introduction

The Housing Authority of the County of Santa Clara (HACSC) assists approximately 17,546 households through the federal Section 8 Housing Choice Voucher program (Section 8). The Section 8 waiting list contains over 20,000 households (estimated to be a 10-year wait). HACSC also develops, controls, and manages more than 2,100 affordable rental housing properties throughout the County. HACSC's programs are targeted toward LMI households and more than 80 percent of their client households are extremely low-income families, seniors, veterans, persons with disabilities, and formerly homeless individuals.

In 2008, HACSC entered a ten-year agreement with HUD to become a Moving to Work (MTW) agency. The MTW program is a federal demonstration program that allows greater flexibility to design and implement more innovative approaches for providing housing assistance.

Additionally, HACSC has used LIHTC financing to transform and rehabilitate 535 units of public housing into HACSC-controlled properties. The agency is an active developer of affordable housing and has either constructed, rehabilitated, or assisted with the development of more than 30 housing developments that service a variety of households, including special needs households.

Actions planned during the next year to address the needs to public housing

Not applicable. HACSC owns and manages four public housing units, which are all located in the City of Santa Clara.

Actions to encourage public housing residents to become more involved in management and participate in homeownership

Although the majority of their units have been converted to affordable housing stock, HACSC is proactive in incorporating resident input into the agency's policy-making process. An equitable and transparent policy-making process that includes the opinions of residents is achieved through the involvement of two tenant commissioners on the HACSC board.

HACSC has been a MTW agency since 2008. In this time the agency has developed 31 MTW activities. The vast majority of its successful initiatives have been aimed at reducing administrative inefficiencies, which provides resources for programs aimed at LMI families.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Not applicable.

Discussion

Please see discussion above.

AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The Santa Clara region is home to the fourth-largest population of homeless individuals (6,681 single individuals) and the highest percentage of unsheltered homeless of any major city (75 percent of homeless people sleep in places unfit for human habitation). The homeless assistance program planning network is governed by the Santa Clara Continuum of Care (CoC), governed by the Destination: Home Leadership Board, who serves as the CoC Board of Directors. The membership of the CoC is a collaboration of representatives from local jurisdictions comprised of community-based organizations, the Housing Authority of Santa Clara, governmental departments, health service agencies, homeless advocates, consumers, the faith community, and research, policy and planning groups. The homeless services system utilized by the CoC is referred to as the Homeless Management Information System (HMIS). The HMIS monitors outcomes and performance measures for all the homeless services agencies funded by the County. Last year, the CoC and service providers transitioned to a new system referred to as Clarity. The system provides additional tools and resources to assist the CoC and service providers to track information regarding clients served.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

In January 2017, a Point in Time (PIT) count was conducted for Santa Clara County by the City of San Jose in conjunction with the County of Santa Clara. The PIT is an intense survey used to count the number of homeless living throughout Santa Clara County on the streets, in shelters, safe havens or in transitional housing, or in areas not meant for human habitation. The survey was conducted by hundreds of volunteers who asked those living on the streets, as well as the residents of shelters, safe havens and transitional housing, to respond to questions related to their needs. A portion of the survey addresses the needs of those surveyed. Cupertino financially contributed to this effort. At the time of this report, the results had not been released. The next PIT is scheduled for January 2019.

Addressing the emergency shelter and transitional housing needs of homeless persons

In FY 2017-2018, the City will allocate General Fund dollars to the following transitional housing programs:

- **Maitri – Direct Client Services:** Provides transitional housing and related supportive services to low-income victims of domestic violence who are at high risk of becoming homeless and/or suffering further abuse to themselves and their children.

The City will continue to coordinate services to the homeless through inter-agency such as efforts through the Collaborative, Help House the Homeless, and the Community Technology

Alliance.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

In FY 2017-2018 the City will allocate CDBG dollars to the following services and programs:

- West Valley Community Services – Community Access to Resource and Education (CARE) - The CARE program incorporates both case management and wrap around services to help at risk and vulnerable household's manage crisis and provide stabilization to help them move towards self-sufficiency. The target population of the CARE program includes low-income seniors, families with children, at-risk youth and adults. The CARE program includes case management, access to food pantry and emergency financial assistance.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

FY 2017-2018 CDBG and General Fund dollars will also fund the following:

- Live Oak Adult Day Services – Senior Adult Day Care - Provides services for seniors at-risk of being institutionalized. Provides specialized programs such as recreation, mental stimulation, companionship and nutritious meals to seniors.
- Catholic Charities of Santa Clara County – Long-Term Care Ombudsman – The program promotes the rights and well-being of residents in long term care facilities in the County and provides residents with a means by which their complaints can be heard and resolved.
- SALA – Legal Assistance for the Elderly - Provides free legal services to low-income seniors at the Cupertino Senior Center. Legal services provided are in the area of consumer complaints, housing, elder abuse, and simple wills.

Along with the coordinated efforts described above, the City offers affordable housing and other public services targeted toward low-income families that are the most at-risk of becoming homeless.

Discussion

Please see above.

AP- -75 Barriers to affordable housing – 91.220(j)

Introduction

The incorporated and unincorporated jurisdictions within the County face barriers to affordable housing that are common throughout the Bay Area. High on the list is the lack of developable land, which increases the cost of available lands and increases housing development costs. Local opposition is another common obstacle as many neighbors have strong reactions to infill and affordable housing developments. Their opposition is often based on misconceptions, such as a foreseen increase in crime; erosion of property values; increase in parking and traffic congestion; and overwhelmed schools. However, to ensure a healthy economy the region must focus on strategies and investment that provide housing for much of the region's workforce – for example, sales clerks, secretaries, firefighters, police, teachers and health service workers – whose incomes significantly limit their housing choices.

Even when developments produce relatively affordable housing, in a constrained housing supply market higher income buyers and renters generally outbid lower income households and a home's final sale or rental price will generally far exceed the projected sales or rental costs. Public subsidies are often needed to guarantee affordable homes for LMI households.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City identified several potential constraints to the development, maintenance, and improvement of housing and affordable housing, in its 2015-2023 Housing Element update including:

- **General Plan** - The General Plan indicates the allowable uses and densities at various locations in the City. The Land Use/Community Design section identifies five categories of residential uses based on dwelling unit density, expressed as the number of dwelling units permitted per gross acre. As such, a City's General Plan contains several items that can affect the development and distribution of housing, such as land-use classifications, and density and intensity standards.
- **Zoning Ordinance** - Zoning ordinances and other land-use controls have a direct effect on the availability and range of housing choices within a community. The Cupertino Zoning Ordinance establishes development standards and densities for new housing in the City. These regulations include minimum lot sizes, maximum number of dwelling units per acre, lot width, setbacks, lot coverage, maximum building height, and minimum parking requirements.
- **Parking Requirements** - Parking requirements, when excessive, may serve as a constraint to housing development by increasing development costs and reducing the amount of land available for project amenities or additional units. The City's parking requirements are higher than many other jurisdictions, particularly for single-family homes. Considering the high cost of land, the high parking standards may serve as a constraint to

housing provision.

- Site Improvements - Site improvement requirements are the responsibility of residential developers who are responsible for constructing road, water, sewer, and storm drainage improvements on new housing sites. Where a project has off-site impacts, such as increased storm water runoff or added traffic congestion at a nearby intersection, additional developer expenses may be necessary to mitigate impacts. These expenses may be passed on to consumers, as increased sales or rental costs.

In general, residential developers interviewed for the 2014-2022 Housing Element update reported that the Cupertino's public policies do not stand as a constraint to new housing production.

Discussion

As part of the Housing Element Update, the City has identified several strategies to increase affordable housing:

- Designate sufficient land at appropriate densities to accommodate Cupertino's Regional Housing Needs Allocation (RHNA) of 1,064 units for the 2014-2022 General Plan Housing Element planning period. Ensure that all new developments, including market-rate residential developments help mitigate project-related impacts on affordable housing needs.
- Encourage the development of a diverse housing stock that provides a range of housing types (including smaller moderate cost housing) with an emphasis on the provision of housing for lower- and moderate-income households.
- Continue to implement the Non-Residential Housing Mitigation Program that requires developers of office, hotel, research and development (R&D), retail and industrial space to pay a mitigation fee, which will be used to support affordable housing in the City. The mitigation fees are deposited in the City's BMR AHF.
- Continue to implement the Residential Housing Mitigation Program to mitigate the need for affordable housing created by new market-rate residential development.
- The City will encourage use of density bonuses and incentives, as applicable, for housing developments.
- Continue to encourage the development of adequate housing to meet the needs of extremely low-income households and persons with special needs (such as the elderly, victims of domestic violence, and the disabled).
- Continue to facilitate housing opportunities for special needs persons by allowing emergency shelters as a permitted use in the "BQ" Quasi-Public zoning district.
- Continue to retain a fair housing services provider to provide outreach, education, counseling, and investigation of fair housing complaints.

Additionally, the City is addressing the barriers to affordable housing through the following programs and ordinances:

The City's Below Market Rate (BMR) Affordable Housing Fund (AHF) receives its revenue from the payment of housing mitigation fees from non-residential (office, retail, research and development (R&D), hotel and industrial) and residential development. The residential BMR program applies to new residential developments greater than one unit. Homeownership developments of one to six units are required to pay an in-lieu fee. Homeownership developments of seven units or greater are required to designate 15 percent of the total number of units in an ownership development as affordable. Developers of market-rate rental units, where the units cannot be sold individually, must pay a housing mitigation fee to the BMR AHF.

For non-residential housing mitigation in the City, a fee is applied to new square footage of development. The fee is then deposited in the City's BMR AHF and is used for the provision of affordable housing. The City Council adopted a nexus study on May 5, 2015 that reassessed the housing mitigation fees developers pay to the BMR AHF.

HOME Investment Partnerships Program (HOME)

The City joined the County's HOME Consortium in 2014. HOME funds can be used to fund eligible affordable housing projects for acquisition, construction and rehabilitation. Starting in the federal FY 2015, developers of affordable housing projects were eligible to competitively apply through an annual RFP process directly to the County for HOME funds to help subsidize affordable housing projects in Cupertino.

AP-85 Other Actions – 91.220(k)

Introduction

This section discusses the City's efforts in addressing the underserved needs, expanding and preserving affordable housing, reducing lead-based paint hazards, and developing institutional structure for delivering housing and community development activities.

Actions planned to address obstacles to meeting underserved needs

Actions planned to foster and maintain affordable housing

The City will foster and maintain affordable housing by continuing the following programs and ordinances:

- The City's Accessory Dwelling Unit Ordinance, which allows an additional unit to be built on any already developed parcel containing a single family home.
- The City's Density Bonus Ordinance allows an increase in density for developments that provide a proportion of units for very low or low-income households or for seniors.
- All new developments must either provide BMR units or pay a housing mitigation fee, which is placed in the City's BMR AHF.
- Homeownership developments between one unit and six units pay an in-lieu fee which is deposited into the City's BMR AHF. Homeownership developments greater than six units must designate at least 15 percent of units within a development at a cost that makes the units affordable to median and moderate income households.
- The City's participation in the County's HOME Consortium will allow developers of eligible affordable housing projects in the City to competitively apply through an annual RFP process directly to the County for HOME funds to help subsidize affordable housing projects in Cupertino, including acquisition, construction and rehabilitation.

Actions planned to reduce lead-based paint hazards

Lead-based paint awareness and abatement will be fully integrated by the City of Cupertino into its assisted housing programs. Each tenant, landlord and property owner will be informed of the dangers, symptoms, testing, treatment and prevention of lead-based paint poisoning. Lead-based paint hazard stabilization or abatement will be provided in each and every rehabilitation project. Furthermore, adherence to Federal guidelines for reduction activities with lead-based paint is provided for in every federally funded rehabilitation loan.

Actions planned to reduce the number of poverty-level families

In a continuing effort to reduce poverty, the City will make it a priority to fund agencies that provide direct assistance to the homeless and those in danger of becoming homeless and make a commitment to improve the communication and service delivery capabilities of agencies and organizations that provide programs to assist the homeless.

Depending on funding availability, the City will continue to provide assistance to public agencies and nonprofit organizations providing neighborhood housing services, supportive services to the homeless, older adults with physical or mental impairment, the mentally ill, victims of domestic violence, and households with abused children among others.

Coordinate with public agencies providing job training, life skills training, lead poisoning prevention and remediation and other education programs are listed in the 2015-20 Consolidated Plan strategies.

As discussed in AP-65, in FY 2017-2018 the City will allocate CDBG and General Fund dollars to the following program:

- West Valley Community Services – Community Access to Resource and Education (CARE) - The CARE program incorporates both case management and wrap around services to help at risk and vulnerable household's manage crisis and provide stabilization to help them move towards self-sufficiency. The target population of the CARE program includes low-income seniors, families with children, at-risk youth and adults. The CARE program includes case management, access to food pantry and emergency financial assistance.
- Live Oak Adult Day Services – Senior Adult Day Care – Serve 21 unduplicated frail, dependent, low-income Cupertino seniors. Provides services for seniors at-risk of being institutionalized. Provides specialized programs such as recreation, mental stimulation, companionship and nutritious meals to seniors.

Actions planned to develop institutional structure

City staff will continue the following collaborative efforts to improve institutional structure:

- Regular quarterly meetings between entitlement jurisdictions at the CDBG Coordinators Meeting and Regional Housing Working Group
- Joint jurisdiction Request for Proposals and project review committees
- Coordination on project management for projects funded by multiple jurisdictions
- HOME Consortium meetings between member jurisdictions for affordable housing projects

Actions planned to enhance coordination between public and private housing and social service agencies.

The City benefits from a strong jurisdiction and region-wide network of housing and community development partners, such as Regional Housing Working Group and the CoC. To improve intergovernmental and private sector cooperation, the City will continue to participate with other local jurisdictions and developers in sharing information and resources.

In addition to the actions listed above, the City will continue to partner with nonprofit agencies to host a yearly Housing Fair to provide residents with access to developers, BMR managers, and housing agencies and programs. The City will also continue to leverage its BMR AHF to assist

nonprofit affordable housing developers.

Program Specific Requirements

AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Introduction

Community Development Block Grant Program (CDBG)

Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed	\$7,944
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan	\$0
3. The amount of surplus funds from urban renewal settlements	\$0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan.	\$0
5. The amount of income from float-funded activities	\$0
Total Program Income	\$7,944

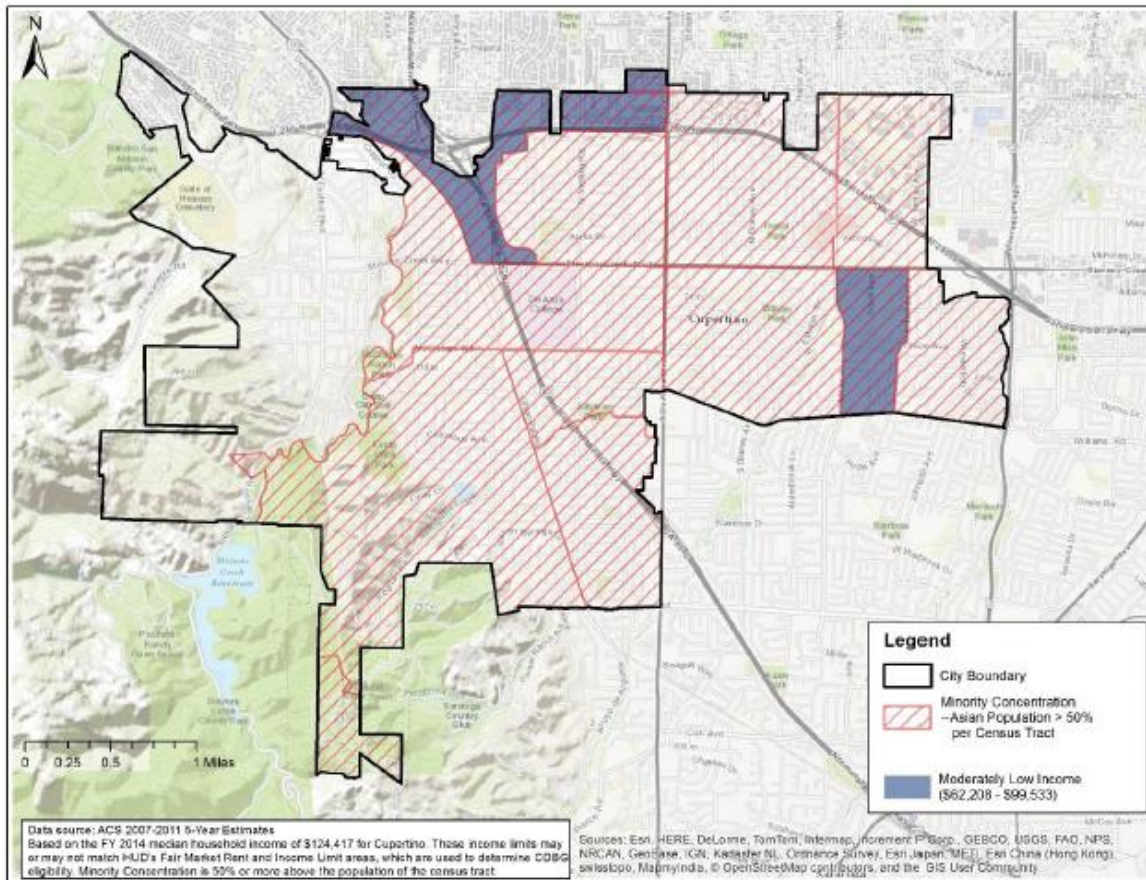

Other CDBG Requirements

1. The amount of urgent need activities	\$0
2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income	100%
3. Overall Benefit – A consecutive period of one, two, or three years may be used to determine that a minimum overall benefit of 70 percent of CDBG funds is used to benefit persons of low and moderate income. Specify the years that include this Annual Action Plan	2018

Discussion

Please see discussion above.

Appendix A: Areas of Minority and LMI Concentration Map

Data Source: ACS 2007-2011

Data Source Comment: Minority concentration is defined as census tracts where the percentage of individuals of a particular racial or ethnic minority group is at least 20 percentage points higher than the citywide average. LMI concentration is defined as

census tracts where the median household income is 80% or less than the jurisdiction as a whole.

CITY OF CUPERTINO NOTICE OF PUBLIC HEARING FOR 2017-18 COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) ANNUAL ACTION PLAN NOTICE IS HEREBY GIVEN that at their regular meeting on Tuesday, August 1, 2017, the City of Cupertino City Council will conduct a public hearing regarding the 2017-18 CDBG Annual Action Plan. The City of Cupertino City Council meets at 6:45 p.m., City of Cupertino Community Hall, 10350 Torre Avenue, Cupertino, CA 95014. Interested parties are invited to attend and be heard. The 2017-18 CDBG Annual Action Plan is a one-year plan which describes CDBG eligible programs, projects and activities to be undertaken with funds expected during the fiscal year 2017-18 (July 1, 2017-June 30, 2018) and their relationship to the priority housing, homeless and community development needs of the City of Cupertino. Federal regulations require that the 2017-18 CDBG Annual Action Plan be made available in public locations for community review for thirty days. The 2017-18 CDBG Annual Action Plan was made available to the public on the City's Housing webpage at www.cupertino.org/housing, City of Cupertino City Hall 10300 Torre Avenue, Cupertino, CA 95014, and other public locations from Monday, June 1, 2017 - June 30, 2017. If you wish to challenge the City of Cupertino City Council's action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City of Cupertino City Hall, 10300 Torre Avenue, Cupertino, CA 95014 at, or prior to the public hearing. For questions regarding the upcoming City of Cupertino City Council public hearing please contact Kerri Heusler, Senior Housing Planner at 408.777.3251 or via e-mail at kerr@cupertino.org. Persons needing special assistance to attend the meeting under the Americans with Disabilities Act should call at least 48 hours prior to the public meetings to ensure their needs can be appropriately accommodated.
