PARKS AND RECREATION COMMISSION STAFF REPORT

Meeting: December 7, 2017

Subject

Draft 2017 Cupertino Pedestrian Transportation Plan

Recommended Action

Receive a presentation on the Draft 2017 Cupertino Pedestrian Transportation Plan and provide input as desired.

Description

The Cupertino Pedestrian Transportation Plan (PTP) was last updated in 2002. The Plan provides the blueprint for Cupertino to achieve its vision of an inviting, safe and connected pedestrian network that enhances the quality of life for all community members and visitors. The Transportation Division leads the process of updating the PTP.

Discussion

Transportation Division staff will present an outline of the PTP, the list of recommended pedestrian improvement projects, and the scoring criteria used to prioritize the projects. The Commission will have the opportunity to provide feedback on the PTP, which is nearing the end of a nearly year-long development and public outreach period, including regular discussion at the Bicycle Pedestrian Commission. The PTP will move forward for adoption by the City Council on December 19, 2017.

Summary

The Parks and Recreation Commission is invited to receive the presentation on the Draft 2017 Cupertino Pedestrian Transportation Plan.

Prepared by: David Stillman, Transportation Manager

Reviewed by: Timm Borden, Director of Public Works

Approved for Submission by: Jeff Milkes, Director of Recreation and Community Services
