Discussion

On November 28, 2017, the City received six bids for the 2018 Pavement Maintenance Project. This project provides for various asphalt treatments on over 45 streets throughout the City. Included in this project are the streets identified in a resolution adopted by the City Council on September 5, 2017 for funding by the Road Maintenance and Rehabilitation Account (SB 1). These streets are:

- Phar Lap Drive, from Madera Road to Stevens Creek Boulevard
- Clifford Drive, from East Estates Drive to Blaney Avenue
- Scofield Drive, from Western Drive to De Anza Boulevard

The majority of the streets improved are in residential areas on streets in poor condition. The following is a summary of bids deemed complete:

Bidder	Bid Amount
Engineers Estimate	\$3,073,592
G. Bortolotto & Co.	\$3,077,777
O'Grady Paving Co.	\$3,119,354
Graniterock Co.	\$3,186,437
Goodfellow Top Grade Construction	\$3,353,271
De Silva Gates Construction	\$3,489,765
Granite Construction Co.	\$3,918,315

The engineers estimate for this project was based upon the competitively bid unit costs of a similar project completed this year.
