Subject: 2011 Contractual Street Sweeping Services Contract - Five Year Extension

Dear Mr. Vella

In 2011 the City of Cupertino solicited competitive bidding for contractors to provide street sweeping services throughout the City. Four bids were received and Contract Street Sweeping was considered to be the lowest responsive bidder. At the City Council meeting of June 7, 2011, the contract was authorized for award and Contract Street Sweeping began providing service to the City on July 1, 2011. The term of this agreement was five years with the option to extend for an additional five years.

Due to the good performance of Contract Street Sweeping in providing street sweeping services to the City, the City desires to exercise the option to extend the agreement through June 2021. Please refer to paragraph 3.1 Contract Time of the agreement. This extension will be subject to the same provisions as the original agreement, including an increase or decrease in compensation paid to Contract Street Sweeping.

By signing and returning this original document, Contract Street Sweeping is agreeing to this five year extension per the original terms of the 2011 Contractual Street Sweeping Contract (Project No. 2011-02).

Thank you for your service.
