Roger S. Lee  
Assistant Director of Public Works  
City of Cupertino

RE: Street Sweeping

Dear Roger:

This letter confirms Lehigh Southwest Cement Company's (Lehigh) agreement to contribute to the cost of street-sweeping N. Foothill Blvd. in Cupertino (from McClellan Road to Highway 280). Lehigh agrees that, for the period of one year (52 weeks), Lehigh will pay the City \$200 per week to reimburse the City for its costs of hiring Contract Sweeping Co. to conduct an additional sweep of N. Foothill Blvd. each Friday with a regenerative air sweeper.

Lehigh is making this contribution to reiterate its commitment to fostering a good relationship with the City and the surrounding community. Lehigh does not believe, and specifically denies, that its site is the cause of any of the excess pebbles or dust on N. Foothill Blvd.

Respectfully,

---

Erika Guerra  
Environmental Director  
Lehigh Hanson
