Council authorized this in 2017.	Project will be initiated in Summer 2018	Proposed	TBD	Catarina Kidd	Community Development
Lawn Buster Drought Tolerant Planting Pilot	Develop a program that allows residents to easily elect water-wise turf conversion, including pre-set landscape plans, pre-approved contractors, and fixed prices	Research has begun to evaluate best options for a city-wide pilot	Collect data and research similar programs	Proposed	June 2019	Misty Mersich	CMO
Healthy Cities Initiative	Revise smoking and water access policies and regulations to meet HCI standards			Proposed	December 2018	Jaqui Guzman	CMO
Shuttle Bus Service Study	Study the feasibility of an east-west shuttle bus service that connects to Caltrain			Proposed	TBD	Senior Transportation Planner	Public Works
Penalties for Violation of Conditions of Approval	Consider increasing maximum penalty of \$100K for violations of conditions of approval.	Requested by Councilmember.	Issue will be reviewed with related municipal code updates.	Scheduled	TBD	Phillip Wilkomm	Community Development
Teen Stress	Work with the Teen Commission and Cupertino 95014 on events that address teen stress in Cupertino	Cupertino 95014 has agreed to study the issue of teen stress in Cupertino and propose an event to highlight the problem and potential solutions The Teen Commission is working on a teen stress-relief event as part of thier workplan		Scheduled	TBD	Brian Babcock Danny Meztizo	CMO Recreation & Community Services
Short Term Rentals	Develop a regulatory program to regulate and collect TOT from STRs	Study session on Feb. 6, 2018	Sign collection agreements with Airbnb and other large STR platforms. Draft Muni Code regualtions for STRs with public input.	Scheduled	June 2019	Jaqui Guzman Ben Fu	CMO Community Development
Regnart Road – analysis of maintenance responsibilities	1) Research and determine adjacent property owner and City maintenance responsibilities; and 2) Receive owner input and educate regarding responsibilities; and 3) Complete City work.	Drainage evaluation complete.	Obtain land use general counsel, review findings and conduct public meeting(s). Investigative work and meeting with owners complete by summer 2018.	In Progress	June 2019.	Chad Mosley / Roger Lee	Public Works
Lawrence Mitty	Acquire a parcel at Lawrence Expwy and Mitty Ave for trail expansion and park development	City has worked with SJWC and County to secure a three-way transaction but was not able to reach agreement with SJWC	County is taking the lead on negotiations with SJWC. If property is secured, funding allocation for conceptual design will be proposed with 2018-19 CIP.	In Progress	TBD	Jaqui Guzman Timm Borden Jeff Milkes	CMO Public Works Recreation & Community Services
Vallco Specific Plan	Create a community-based vision and objective standards for development at Vallco	Consultants hired and initial community outreach started	Prepare Draft EIR and Specific Plan after community outreach	In Progress	Fall 2018	Catarina Kidd and Piu Ghosh	Community Development
Community Garden Improvements	Renovate the community gardens at McClellan Ranch, and implement a new process and procedures for a more effective, community-driven gardens program.	Multiple stakeholder meetings have been held to develop better procedures and appropriate enforcement policies. A capital project is in progress, working with a consultant to develop a clear concept and vision for the gardens. A second capital project has been proposed for 2018/19 to renovate the gardens. The new rules and enforcement process will be implemented as garden plots are assigned.	Complete public involvement process and propose recommended alternative to City Council for garden renovation.	In Progress	Summer 2019	Kim Calame	Recreation & Community Services

Community Livability and Sustainable Infrastructure

Project Title	Project Objective	Progress to Date	Next Steps	Current Status	Completion Date	Staff Lead	Department
Strategic Plan for Neighborhood Special Events	Complete strategic planning to implement recreational activities in neighborhood parks.	Research and a draft report are in progress.	Complete research into equipment, staffing, objectives, and organize neighborhood task forces to assist with program planning. Hire part time Recreation staff to complete planning to implement a pilot program in Summer 2018.	In Progress	October 2018	Jeff Milkes/ Rachelle Sander	Recreation & Community Services
Citywide Parks and Recreation System Master Plan	Create a 20+ year community-driven plan to meet future parks, open space and recreation needs through establishing goals and priorities and enhancing or expanding facilities and programs.	Council authorized consultant contract in January 2017. Consultant and staff have evaluated existing park and recreation systems, formed an advisory group, developed a vision statement and goals, identified prioritization criteria and identified preliminary opportunities. Community outreach explored best use of park spaces to identify needs for different events, activities and goals. The plan is anticipated to come before City Council in Fall 2018, depending upon additional public input and results of upcoming workshops.	Upcoming Council and Parks & Recreation Commission study session to review large project items for the Master Plan. Public input and workshops will occur, and project list, scoping, and budget information will be developed from the results.	In Progress	Fall 2018	Gail Seeds	Recreation & Community Services
Solid Waste Characterization Studies and Waste Audits	1) Complete tonnage audit and waste characterization studies of pertinent streams of City facilities, residential curbside, and commercial waste; and 2) Analyze effectiveness of neighboring agency programs and emerging technology as it might apply in Cupertino in diverting recyclable content from landfill.	Collected contract and waste characterization information from neighboring agencies. Began review of potential auditors and consultants.	Execute consultant agreements and begin work.	In Progress	June 2018	Cheri Donnelly/ Roger Lee	Public Works
Teacher Housing	Evaluate a "Teacher Housing" project in partnership with a non-profit developer try to identify and develop surplus school property as a teacher housing project.	In March 2016, the Planning Commission recommended adding a goal of providing 100 senior or "teacher" housing units per year for the next five years and/or provide incentive and priority for Cupertino residents. The priority system was implemented as part of the BMR Administrative Manual update in September 2016.	Continue to explore opportunities in collaboration with the school districts	In Progress	TBD	Kerri Heusler	
Heart of the City Plan	Amend the Heart of the City Specific Plan: (1) for clarifications to the minimum street side setback requirements, and (2) to review street tree requirements to allow larger trees, increase diversity of tree type and encourage drought-tolerant and native tree types.	To be revised during the next Heart of the City Specific Plan update		On Hold		Erick Serrano	Community Development
Library Community Room Addition	Continue design and implementation of library community room addition	Preferred alternative was adopted by City Council in 2015. Funding was pledged by Irvine Company in development agreement for Hamptons development pending issuance of building permits.	Initiate architectural design	On Hold	TBD	Timm Borden	Public Works

Project Title	Project Objective	Operational Efficiency					
		Progress to Date	Next Steps	Current Status	Completion Date	Staff Lead	Department
Alternative Commute Pilot for Staff	Pilot to encourage employees to use alternative modes of transportation such as walking, biking, transit, and carpool to relieve road congestion, reduce harmful emissions and improve employee health.	Exploring programs from surrounding cities and writing a draft proposal	Develop policy, implementation measures, and determine appropriate incentive levels.	Proposed	June 2019	Misty Mersich	CMO
American Public Works Association (APWA) Accreditation	To objectively evaluate, verify and recognize compliance with recommended management practices.	Reviewing / amending current practices and beginning self-assessment process.	Complete update of current practices and schedule onsite evaluation.	Scheduled	FY2019/2020	Roger Lee	Public Works
Workforce Planning	Use data in the City's ERP system and several city documents such as the budget, CIP and Council Work Program to identify key positions needed and how to attract, retain or train to ensure the availability of those positions when needed.	None	Begin identifying key positions. Formulate training/recruitment/retention strategy for those positions.	Scheduled	June 2019	Kristina	Admin Services
Labor Negotiations	Negotiate equitable long term contracts with all bargaining units	Current contract expires in June 2019.	Begin preparation for negotiations in January 2019	Scheduled	June 2019	Kristina	Admin Services
Disaster recovery plan	Provide network/data resiliency thru the use of offsite and out of region data centers	Simplified network/data infrastructure to allow for easy migration to offsite data center	1) Move current City Hall data center infrastructure elements to local colocation facility. 2) Build second infrastructure environment at distant, out-of-region colocation facility.	In Progress	FY2018/FY19	Bill	Innovation & Technology
Applications	Deploy applications to enhance operational efficiency.	In process of implementing various enterprise applications including Accela Land Management, GovInvest, Peak Democracy and Zonar 3D	1) Finalize implementation of applications in flight. 2) Continue to research cost effective solutions to current business problems.	In Progress	FY2018	Bill	Innovation & Technology
Public Building Condition and Use Assessment	1) Determine priority assessment of buildings for future improvements; and, 2) Analyze selected buildings for facility use efficiency	Notice to proceed issued.	Facilitate consultants work by retrieving needed documents and facilitating on-site inspections.	In Progress	August 2018	Roger Lee	Public Works
Staffing Level Evaluation	Analyze work load of various staff to insure community expectations are met and ordinance requirements are enforced.	Various deficiencies have been identified.	Complete evaluation within department and discuss coordination with other departments as applicable and needed.	In Progress	FY2019/20	Timm Borden/Roger Lee	Public Works
Weekend Work Program	Ensure efficiency of program.	reviewing current practices and gathering data from staff	Complete evaluation within the department and determine the value of labor received from participants vs. the value of full-time employees to monitor the program.	In Progress	January 2019	Carl Valdez	Public Works
Civic Center Master Plan - Design dev/space prog.	Begin Design Development and Programming for new preferred alternative from 2015 Civic Center Master Plan	Working with Architectural Consultant to develop options and estimates.	Upon approval from City Council to move forward, negotiate design contract for architectural services.	In Progress	January 2019	Timm Borden	Public Works
Roll Out of Additional ERP Modules	Fully utilize ERP system to automate and simplify business processes	Fixed Asset module is in data verification stage. CAFR Builder is in contract negotiations.	Review contract module and requested time off capabilities in the City's online timesheet/benefits portal	In Progress	June 2020	Kristina	Admin Services
Roll Out of Open Gov Platform (maps and additional reports)	Fully utilize OpenGov Software	Successfully began using and integrating open budget portion of OpenGov	Build out additional reports and view on the City's transparency portal	In Progress	June 2020	Kristina	Admin Services
Integration of Workplan and Other Long/Short Term Documents to Develop 5 Year Business Plan for City.	Comprehensive Business Plan that encompasses all workplan items ensuring adequate funding and staffing resources. Goal of 80-100% funded in the next 20 years.	Pending work plan approval. Strategies: a) Establish a 115 Trust and funding strategy; b) 20 year amortization; c) 6% discount rate; d) Long Term staffing costs projections including negotiated increase using GovInvest	Ensure costs associated with items approved in workplan are included in the FY19 budget. Ensure future costs of items in the workplan are included in the Long Term Financial forecast	In Progress	June 2020	Kristina	Admin Services

Operational Efficiency							
Project Title	Project Objective	Progress to Date	Next Steps	Current Status	Completion Date	Staff Lead	Department
Accreditation of the Recreation & Community Services Department	National accreditation by the Commission for Accreditation of Park and Recreation Agencies to inform policy makers, staff, and community members that the parks and recreation agency has been independently evaluated against established benchmarks for delivering a high level of quality service.	The City has been accepted as a candidate for national accreditation in 2019. A committee of front-line staff, supervisors and managers are addressing each of the 151 national standards. All Recreation staff have been trained in the process. The Department is on schedule to be reviewed in early 2019 and potentially accredited in October, 2019.	Complete self evaluation addressing the 151 national standards. This requires wide-ranging tasks includin creating a department marketing plan, risk assessment plan, and a review of all department policies.	In Progress	October 2019	Jeff Milkes	Recreation and Community Services
Implement ActiveNet Registration Software System	Replace the current recreation registration software with a cloud-based software version to enhance service at the Quinlan Community Center, Sports Center, Senior Center and other recreation facilities as appropriate.	Staff have negotiated a contract with ActiveNet and the start of implementation is planned for Spring 2018. The project is anticipated to be live by Fall 2018.	Complete Contract and coordinate implementation schedule	In Progress	Fall 2018	Project Lead, Rachelle Sander. Project Manager, Bill Mitchell	Recreation and Community Services, with Innovation & Technology
Cross Platform System Integration	Leverage new technology acquisitions to create integrated systems	Identified integration possibilities between the City's ERP Logos and Land Management Software, Recreation Software, Project Works and Recruitment software. Finance division working with Land Management software on integration specifications	Explore and implement integration	In Progress	Summer 2018 and Ongoing	Kristina	All

Public and Private Partnerships

Project Title	Project Objective	Progress to Date	Next Steps	Current Status	Completion Date	Staff Lead	Department
Support the Creation of a Film Society	To increase art opportunities in the City. The goal is to support the creation of a film society based on a request by interested citizens	NA	Explore opportunities upon authorization	Proposed	TBD	Angela Tsui and Catarina Kidd	Community Development
Small Business Dev. Center	Explore the viability of establishing a small business development center within the City of Cupertino.	This is an action item in the EDSP as a resource to retain and grow small and midsize businesses.	Continue to explore opportunities.	In Progress	TBD	Angela Tsui	Community Development
