## Completed Action Items

A1 171004-01	Bill	Complete	Provide commissioners broadband coverage data from carriers – Bill will contact Public Works	Public Works does not have data specific to this request. Vendors deem this information company confidential.
A1 171004-04	Bill	Complete	Did the city deny a wireless tower application around Jollyman and 85 on city property? If so, why?	Response from Public Works: Three proposals (two formal, one informal) were submitted to the City. Due to residence input Council denied one permit.  A second formal request was granted a permit. Vendor did not abide by permits intent. City intervened and made suggested changes. Vendor choose to remove equipment.
A1 171004-05	Bill	Complete	Provide Commissioners information about electronic meeting ideas (reach out to other TICC Commissions?)	Per City Attorney: In 2016 the City Council declined to approve the use of teleconferencing as an option for traveling Council Members to appear at their public meetings. Purportedly this vote was consistent with previous votes on this item. Accordingly, at this time, the City has no established polity to permit the use of teleconferencing.
