

## EXHIBIT 2: *Aerial Fixed Guideway to Mountain View*

An aerial high-capacity fixed guideway system connecting Cupertino at Wolf Road and I-280 to downtown Mountain View and the North Bayshore area. The system would provide a direct aerial transit line with few stops, connecting areas of high employment with the regional transportation network.

● **Destinations Served:** *Cupertino & Mountain View*

Wolfe Road/I-280, Apple Park, Vallco Mall/Main Street Cupertino, Downtown Mountain View, North Bayshore/Googleplex

● **Cupertino Station:** A transit and multi-modal facility built on a freeway cap over I-280.
