Dear Chief Technology Officer Mitchell,

U-verse TV® Price Changes

The monthly rate of some U-verse TV service plans will increase early next year and may impact the cost of service. Due to increased costs of programming, an adjustment in the price of our programming packages is necessary. New increased rates will be in effect on billing statements beginning on January 20, 2019, as indicated below:

The monthly rate of the following U-verse TV service plans will increase by \$3: U-family, U-family All In and U100.

The monthly rate of the following U-verse TV service plans will increase by \$5: U200, U200 All In, U200 Latino All In, U300, U300 All In, U300 Latino and U300 Latino All In.

The monthly rate of the following U-verse TV service plans will increase by \$7: U400, U450, U450 All In, U450 Latino and U450 Latino All In.

The monthly Broadcast TV Surcharge will increase by \$2 in all California markets. This charge is to recover a portion of the amount local broadcasters charge AT&T to carry their channels.

These increases will not apply to customers currently with a U-verse promotional discount until the promotion ends or expires.

For a complete list of rate changes, visit att.com/2019pricing.

Those customers with questions regarding any of our U-verse services may visit att.com/esupport or call 800-288-2020 and say "billing".

If you have any questions, please contact your local AT&T External Affairs Manager, Angela Kung on 415-806-9470.
