

Grant Agreement

This Grant Agreement ("Agreement") dated as of _____, 2019, sets forth the terms and conditions agreed to by the City of Cupertino, a municipal corporation of the State of California ("Grantee"), and Apple Inc., a California corporation ("Grantor").

1. **GRANT PROJECT.** Apple desires to fund various transportation infrastructure and safety projects in the City of Cupertino as more fully described in Exhibit A (each, a "Grant Project" and collectively, the "Grant Projects").
2. **FUNDING OF GRANT.** Grantor shall fund each Grant Project ("Grant Funds"): (a) in an amount not to exceed the amount specified in Exhibit A, and (b) in accordance with the funding schedule specified in Exhibit A. If payments of Grant Funds are conditioned upon achievement of particular milestones or other required documentation, delays may occur if the milestones are not met and/or documentation is not submitted as agreed. It is expressly understood that this Agreement does not obligate Grantor to provide any additional support to Grantee for any other project or purpose other than the Grant Projects expressly provided for in this Agreement.
3. **USE OF GRANT FUNDS.** Grant Funds are restricted for use on the particular Grant Projects for which they have been funded as detailed in Exhibit A. No Grant Funds may be used for City staff costs or overhead. Grantor will fund Grant Projects at their actual cost up to the not to exceed amount. Any grant funds not so used for the Grant Project for which they have been funded must be returned promptly to the Grantor, or may be applied to other Grant Projects as may be mutually agreed by Grantor and Grantee and documented in writing before any such modifications become binding.
4. **GRANT OVERSIGHT/AUDIT.** Grantee will exercise full control over each Grant Project and will administer, manage and use the Grant Funds solely for Grant Projects. Grantor's role will consist of reasonable evaluation of Grantee's expenditure of Grant Funds. Grantee agrees to permit the Grantor, at its request, to have reasonable access to all information necessary to make such program evaluations. Grantee agrees that Grantor shall have the right to audit Grantee at any time to determine its compliance with this Agreement. During an audit, Grantee agrees that it will disclose all relevant information other than attorney client communications to Grantor to allow Grantor to assess Grantee's compliance with this Agreement.
5. **GRANT REPORTING.** Grantee will provide Grantor a quarterly report covering the progress and financial status of each Grant Project ("Quarterly Report"). Each Quarterly Report will include a progress update of each Grant Project, including a description of

activities performed to date, challenges encountered (if any), and plans for the next quarterly reporting period. The financial reporting portion of each Quarterly Report will include a summary of expenses against the budget for each Grant Project and any remaining balance. Upon request, Grantee will provide Grantor with informal program updates. For each completed Grant Project, Grantee will include a final accounting of how the Grant Funds were spent as compared to the applicable budget.

6. **RELATED PARTIES.** Grantee agrees that its staff, elected officials, agents, employees and contractors (or any related party) will not receive any financial benefit as a result of this Agreement.
7. **NO WARRANTY.** Grantor makes no representations or warranties about the quality, sufficiency or legal compliance of any Grant Project, including, without limitation, any plans or specifications for any Grant Project. Each Grant Project shall at all times be deemed to be a Grantee project and Grantor shall have no obligation to design, construct, maintain, repair or replace any portion of any Grant Project.
8. **INDEMNIFICATION AND HOLD HARMLESS.** Grantor shall not be liable for any acts or omissions in approving, reviewing, checking, correcting, constructing or modifying any Grant Project or any related specifications. In consideration of Grantor providing the Grant Funding, Grantee agrees to indemnify, hold harmless, release and forever discharge Grantor, its officers, agents, employees, contractors and affiliates from and against any and all judgments, actions, claims, suits, losses, damages, and expenses resulting from, related to or in any way connected with this Agreement, including, without limitation, any claims, actions, or demands arising out of the design, construction, maintenance and operation of any Grant Project. This indemnification obligation shall survive any termination of this Agreement.
9. **TERMINATION.** Either party may terminate this Agreement following a breach of a material provision of this Agreement, whether by action or inaction, which continues and is not remedied within thirty (30) days after the non-breaching party has given notice specifying the breach. Grantor may also terminate this Agreement at any time following Grantee's adoption of new fees or taxes that apply at different rates and/or amounts depending on the revenue or employee count of the business or property owner or that would have a disproportionate effect on Grantor. Grantor shall have no obligation to make any additional payments or provide any of the other benefits set forth in this Agreement following termination.
10. **EQUITABLE RELIEF.** Grantee agrees that Grantor will have the right to seek and obtain immediate injunctive relief to enforce obligations under this Agreement in addition to any other rights and remedies it may have.

- 11. **NO ASSIGNMENT.** This Agreement may not be assigned by Grantee by any means, including without limitation, by operation of law or merger. Any attempted assignment of this Agreement by Grantee in violation of this section will be void.
- 12. **PUBLICITY.** Grantee will not use (or permit its personnel to use) Grantor trademarks, service marks, trade names, logos or other commercial or product designations for any purpose without the express prior written approval of Grantor.
- 13. **GRANT RECORDS.** Grantee agrees to maintain records of receipts and expenditures and make its books and records available to Grantor at reasonable times upon its request, which shall be adequate to identify the use of the funds in compliance with this Agreement. Such records shall be retained for a period of at least four (4) years after the completion of the use of the payments received from Grantor.
- 14. **REQUIRED NOTIFICATION.** Any notices delivered pursuant to this Agreement and all other communications shall be in writing and shall be given to the appropriate party at the address set forth below or at such other designation as from time to time may be specified hereunder. All notices and other communications shall be deemed given: (a) upon personal delivery to the appropriate address; (b) three (3) business days after the date of mailing if sent by certified or registered mail; or (c) one (1) business day after the date of deposit with a commercial courier service offering next business day service with confirmation of delivery.
