REPORT OF INDEPENDENT ACCOUNTANTS ON APPLYING AGREED-UPON PROCEDURES

To the Honorable Mayor and City Council
City of Cupertino, California
10300 Torre Avenue
Cupertino, California 95014-3202

Ladies and Gentlemen:

We have performed the procedures enumerated below, which were agreed to by the Honorable Mayor and the City Council of the City of Cupertino, California (the "City"), on the Investment Policy of the City. The City's management is responsible for the Investment Policy. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

Refer to Appendix A.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Investment Policy. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Honorable Mayor and City Council and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "Crowe LLP".

APPENDIX A – SCHEDULE OF PROCEDURES AND FINDINGS

The procedures to be performed were as follows:

1. **Procedure:** We obtained the Investment Policies (policies), dated May 1, 2017, approved by the Honorable Mayor and the City Council. We compared the investments authorized by the policy with the investments listed in the December 2017 Treasurer's Investment Report to determine if all investment types are allowed by the investment policy.

Result: The procedure was performed with no exceptions noted. We did observe that the City passed a revised investment policy on June 7, 2018 but that revised policy did not impact the authorized investment types held by the City.

2. **Procedure:** We compared the City's Investment Policy with California Government Code Section 53601 to determine whether the City's Investment Policy complied with California Government Code Section 53601.

Result: The procedure was performed with no exceptions noted.

3. **Procedure:** We compared the December 2017 Treasurer's Investment Report with California Government Code Section 53646 to ensure that the December 2017 Treasurer's Investment Report complied with California Government Code Section 53646.

Result: The procedure was performed with no exceptions noted.

4. **Procedure:** We inquired of the Finance Manager whether investment performance statistics and activity reports were generated on a quarterly basis for presentation to the Oversight (Audit) Committee, City Manager and the Honorable Mayor and the City Council, as required by the Investment Policy.

Result: The procedure was performed with no exceptions noted.

5. **Procedure:** We inquired of the Finance Manager and documented our understanding of the wire transfer procedures.

Result: The procedure was performed with no exceptions noted.

6. **Procedure:** We randomly selected three investment sales/maturities from various quarters of Treasurer's Reports and performed the following:

- Traced investment type to the supporting broker's confirmation.
- Traced the maturity date to the supporting broker's confirmation.
- Traced the amount of the investment sold to the supporting broker's confirmation.

Result: The procedure was performed with no exceptions noted.

7. **Procedure:** We will randomly select two investments purchased (one as of October 2017 and one as of March 2018) for fiscal year 2018 from the City's investments files and perform the following:

- Trace the purchased investments to the corresponding Treasurer's Investment Report for the month in which the investments were acquired.
- Agree the amount, terms and interest rate to the Treasurer's Investment Report.
- Verify that the investment type is authorized by the Investment Policy by comparing the type of investment to the allowable types per the Investment Policy.

Result: We verified that there were no investments purchased during fiscal year 2018 cross referencing to the City Treasurer's Investment Report and found no investments purchased as of October 2017 or March 2018.

8. **Procedure:** We obtained the Wells Fargo Bank Market/Cost Value Comparison Report, the City's third party investment safekeeping custodian, for December 2017 and traced the following from each investment listed in the Wells Fargo statement to the City's December 2017 Treasurer's Investment Report:

- Investment description
- Market value
- Purchase date
- Maturity date
- Coupon rate

Result: Per observation of the Wells Fargo Bank Market/Cost Value Comparison Report, purchase dates are not presented and could not be agreed to the City Treasurer's Investment Report. This section of the procedure could not be performed. The remainder of the procedure was performed with no exceptions noted.

9. **Procedure:** We verified that there were no investments purchased during fiscal year 2018 cross referencing to the City Treasurer's Investment Report and found no investments purchased as of October 2017 or March 2018.

Result: We verified that there were no investments purchased during fiscal 2018 from the City's investment files. We substantiated this claim by cross referencing to the Quarterly Treasurers report and found no investments purchased.

10. **Procedure:** For the December 2017 Treasurer's Investment Report, we re-computed or obtained third-party corroborating evidence of the correct listing of

- Average Yield
- Market value
- Purchase date
- Duration

Result: We obtained the December 2017 Treasurer's Investment Report as well as the Broker Execution Trade Authorizations and the Wells Fargo Market/Cost Value Comparison. We re-computed the Average Yield using the coupon interest and purchase cost while for the Duration calculation we used inputs of call date, coupon rate and yield to maturity. The procedure was performed with no exceptions noted.
