

## Sustainability Grants for Students

The Cupertino Sustainability Commission is excited to announce the Sustainability Grants for Students Program! This program provides monetary grants up to \$500 to Cupertino-area students in grades K-12 to assist them in discovering, promoting, and implementing programs or projects that combat climate change and assist the City in reducing greenhouse gas emissions as referenced in [Cupertino's Climate Action Plan](#).

**Deadline: Friday, November 15, 2019 at 12:00 noon**

Applicants need not reside in the City of Cupertino. However, the impact of the program/project should reduce greenhouse gas emissions in the City of Cupertino. The application can be found on the City website at: [www.cupertino.org/sustainability](http://www.cupertino.org/sustainability).

Examples of programs or projects the Sustainability Grants for Students Program can help fund:

- Programs that help conserve energy or water or help bring awareness to conserving energy or water
- Programs that encourage walking or biking to school
- Implementation of a recycling and composting program
- Installation of a native plant garden
- Utilization of a reusable product to replace a disposable one
- Other topics that support sustainability

If you have any questions, please contact the Cupertino Sustainability Division via email at [sustainability@cupertino.org](mailto:sustainability@cupertino.org).

## Sustainability Grants for Students Program Application

Name:

Phone:

Email:

Organization Name:

Role at Organization (student, teacher, administrator, parent, etc):
