

RESOLUTION NO. 20-XXX

**A RESOLUTION OF THE CUPERTINO CITY COUNCIL
VACATING A PORTION OF AN EMERGENCY ACCESS EASEMENT
LOCATED ON 23500 CRISTO REY DRIVE AS PROVIDED IN SECTION 8320
ET SEQ. OF THE STREETS AND HIGHWAYS CODE OF THE STATE OF
CALIFORNIA**

WHEREAS, a portion of an emergency access easement (hereinafter the "Easement") located on 23500 Cristo Rey Drive, more particularly described and attached herewith as Exhibit "A", is to be vacated; and

WHEREAS, that certain plat entitled "Plat to Accompany Vacation Description", attached herewith as Exhibit "B", shows the Easement to be vacated; and

WHEREAS, the City Council did, on the 17th day of December, 2019, adopt Resolution No. 19-143 of intention to vacate the Easement, and the City Clerk has published notice and posted signs declaring said intention, and the date, time, and place of a public hearing to consider said intention, pursuant to the provisions of Section 8320 et seq. of the Streets and Highways Code of the State of California; and

WHEREAS, a new emergency access easement is to be dedicated superseding the existing Easement; and

WHEREAS, pursuant to Section 8324 of the Streets and Highways Code of the State of California, the City Council finds, from all the evidence submitted, that the Easement in the notice of hearing is unnecessary for present or prospective purposes after conditions have been satisfied; and

WHEREAS, it is deemed to be in the public interests that the City Council elects to proceed to order said vacation; and

WHEREAS, on April 17, 2018 the City Council certified an Environmental Impact Report (hereinafter the "EIR") for Development Permit DP-2017-01, to allow construction of the Forum Project; and

WHEREAS, the vacation of the Easement will facilitate construction of the Forum Project and constitutes a minor modification to the Project, and based on

substantial evidence in the record, no subsequent environmental review is required because there are no substantial changes in the Project or the circumstances under which the Project is to be undertaken that would result in new or substantially more severe environmental impacts requiring major revisions to the Final EIR, and there is no new information that involves new significant environmental effects or a substantial increase in the severity of previously identified environmental effects that would require preparation of a subsequent or supplemental EIR pursuant to Public Resources Code Section 21166 and CEQA Guidelines Sections 15162 and 15163.

NOW, THEREFORE, BE IT RESOLVED that the City Council does hereby authorize the City Clerk, upon notification from the Director of Public Works that the Applicant has met all precedent conditions, to record the executed original Resolution in the Office of the Recorder of the County of Santa Clara.
