### STAFF REPORT PARKS AND RECREATION COMMISSION STAFF REPORT

Meeting: March 5, 2020

#### Subject

Satellite Community Garden Project.

#### Recommended Actions

Review the list of potential Satellite Community Garden locations, formed by individual Parks & Recreation Commissioners, for site visits and evaluations during the upcoming month.

#### Discussion

The City Council approved the Community Garden at McClellan Ranch at their February 18, 2020 meeting. \$300,000 of the original funds were set aside last year for use in Satellite Gardens in other locations throughout the community. At the February 2020 Parks & Recreation Commission meeting, the Commissioners were asked to identify a few potential locations in Cupertino for further evaluation by each of the Commissioners. That list of potential locations is attached and has been inputted into the form that will be used to evaluate each proposed site.

#### Sustainability Impact

No sustainability impact is associated with the receipt of this report, although there may be impacts when a Satellite Community Garden is constructed.

#### Fiscal Impact

There is no fiscal impact associated with the receipt of this report, although there will be fiscal impacts to the City when a Satellite Community Garden is constructed.
