

# **Commission Work Program Overview**

## **Fine Arts Commission**

### **Municipal Code Description (2.80):**

- A. Commission shall foster, encourage and assist the realization, preservation and advancement of fine arts for the benefit of the citizens of Cupertino
- B. Commission may involve itself in the following activities:
  - 1. Act as a catalyst for the promotion of fine arts activities
  - 2. Keep current on potential fine arts activities which would be available to the community
  - 3. Provide liaison between various fine arts activities
  - 4. Promote a means for coordination for fine arts groups or facilities which may exist within the community
  - 5. Maintain an inventory of facilities available for related fine arts activities within the community
  - 6. Provide screening and/or review for fine arts activities wishing to obtain city funds or utilize public facilities
  - 7. Provide information to community relating to the arts
  - 8. Foster the development of public art within the community
  - 9. Be vigilant in exploring and advancing the range of fine arts activities available to the community
  - 10. Enhance the interaction between arts and business
  - 11. Any other activity which may be deemed appropriate and necessary
