August 5, 2020

#### Subject

Update on Proposal of Bike Lock Checkout System.

#### Recommended Action

Receive the update on Proposal of Bike Lock Checkout System

#### Background

At the March 4, 2020 Library Commission meeting, the Commission approved Commissioner Liana Crabtree and City Librarian Clare Varesio to form a sub-committee to explore funding and opportunities to provide U-locks to be available for checkout at the library. This proposal was for the purpose of identifying ways to encourage patrons of the library to pursue alternative means of transportation to the library and Civic Center Plaza while addressing the current concern of bicycle security. Due to limited resources and staffing, the library is not able to start or support this initiative at this time.
