

Greetings Mr./ Mrs. (insert name of teacher, administrator, etc.),

I have an exciting event to share with you! My name is (insert your full name), and I am a member of the City of Cupertino's Teen Commission. We advise the City Council and staff on projects that benefit teens. Together with the City of Saratoga and City of Campbell Youth Commissions we are hosting "Pizza & Politics 2020." I invite you and your students to attend this forum as we will have candidates discussing community specific issues. Election Day is coming soon, so this is the perfect opportunity for youth and teens to directly ask questions of those who will be elected into their respective office. We would ask that you encourage your students to attend this event which will be hosted on zoom. In the past, some teachers have offered extra credit for attending students as an incentive to attend. Daniel Mestizo, the Event Manager, can discuss the details and help keep track of your students by having a sign-in/out sheet. You may see below for his contact and event details:
