Re: Launch of Smithsonian Channel

Dear Chief Technology Officer Mr. Bill Mitchell:

We are committed to keeping you and our customers informed about changes to Xfinity TV services.

Beginning January 16, 2021, Smithsonian SD and Smithsonian HD will be added to the Digital Preferred package. Customers will need an IP-capable device (e.g., Xfinity X1) to view either channel, and a subscription to HD service in order to view Smithsonian HD. We will preview the channels starting on or about December 17, 2020.

As always, if you should have any questions please feel free to contact Lee-Ann Peling or me at [LeeAnn\\_Peling@comcast.com](mailto:LeeAnn_Peling@comcast.com) or [Mitzi\\_Givens-Russell@comcast.com](mailto:Mitzi_Givens-Russell@comcast.com).

Sincerely,
