RESOLUTION NO. 21-02

A RESOLUTION OF THE HOUSING COMMISSION OF THE CITY OF CUPERTINO RECOMMENDING APPROVAL OF THE 2021-22 COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) ANNUAL ACTION PLAN TO CITY COUNCIL FOR FINAL ADOPTION

WHEREAS, the Housing and Community Development Act of 1974 provides that funds be made available for the CDBG program; and

WHEREAS, the City of Cupertino will receive a \$408,806 CDBG entitlement grant from the United States Department of Housing and Urban Development (HUD) to be allocated for fiscal year (FY) 2021-22 and estimates allocating \$7,944 in CDBG program income; and

WHEREAS, the City of Cupertino put into place a CDBG Contingency Plan because of the uncertainty in the federal budget and the revised timeline provided by HUD to submit the Action Plan; and

WHEREAS, the City of Cupertino is required to submit a FY 2020-21 CDBG Annual Action Plan to HUD for review and approval prior to being allowed to expend CDBG funds for FY 2020-21; and

NOW, THEREFORE, BE IT RESOLVED that the City of Cupertino makes the certifications required by 24 CFR Sections 91.225 and 570.303 as contained in the CDBG Annual Action Plan for FY 2021-22; and

BE IT FURTHER RESOLVED that the Housing Commission of the City of Cupertino hereby

- 1. Recommends approval of the FY 2021-22 CDBG Annual Action Plan to City Council for final adoption; and
- 2. This Resolution is not a project under the requirements of the California Environmental Quality Act, together with related State CEQA Guidelines (collectively, "CEQA") because it has no potential for resulting in physical change in the environment. In the event that this Resolution is found to be a project under CEQA, it is subject to the CEQA exemption contained in CEQA Guidelines section 15061(b)(3) because it can be seen with certainty to have no possibility that the

Resolution No. _____ Page 2

action approved may have a significant effect on the environment. CEQA applies only to actions which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. In this circumstance, the proposed action (recommendation of the FY 21-22 CDBG Annual Action Plan) would have no or only a de minimis effect on the environment because it has no potential for resulting in physical change in the environment. The foregoing determination is made by the Housing Commission in its independent judgment.

PASSED AND ADOPTED at a special meeting of the City Council of the City of Cupertino this 13th day of May, 2021, by the following vote:

Members of the City Council

AP-05 Executive Summary - 91.200(c), 91.220(b)

Introduction

The City of Cupertino (City) 2021-22 Action Plan (for fiscal year 2021-2022) contains the City's one-year plan to carry out housing and community development activities funded by Federal formula grant funds received from the U.S. Department of Housing and Urban Development (HUD), Community Development Block Grant (CDBG) Program. The 2021-22 Action Plan covers the second of five program years covered by the City's 2020-2025 Consolidated Plan approved by the Cupertino City Council on June 14, 2020.

The Housing Division of the Community Development Department is the lead agency for the Consolidated Plan and submits annual Action Plans to HUD for the City's CDBG program. Additionally, the City is also a participant in the County of Santa Clara Home Investment Partnership Program (HOME) Consortium.

The total funds available for the City in the 2021-22 Action Plan includes a total of \$462,750. This includes \$406,806 in CDBG entitlement funds, \$7,944 in program income, and \$48,000 in unused previous years CDBG funds.

HUD requires entitlement jurisdictions to submit an annual Action Plan to report the distribution of federal entitlement grant funds over the Consolidated Plan's five-year period identifying how funding allocations help meet the goals covered in the Consolidated Plan. The Action Plan reflects three overall goals, which relate to the major commitments and priorities of HUD including:

- 1. To provide decent housing by preserving the affordable housing stock, increasing the availability of affordable housing, reducing discriminatory barriers, increasing the supply of supportive housing for those with special needs, and transitioning homeless persons and families into housing.
- 2. To provide a suitable living environment through safer, more livable neighborhoods, greater integration of lower-income residents, increased housing opportunities, and reinvestment in deteriorating neighborhoods.
- 3. To expand economic opportunities through more jobs paying self-sufficiency wages, homeownership opportunities, development activities that promote long-term community viability, and the empowerment of lower-income persons to achieve self-sufficiency.

The 2021-22 Action Plan covers the time period from July 1, 2021 to June 30, 2022 and reports on the status of needs and outcomes the City expects to achieve in during the year. All of the activities mentioned in the Action Plan are based on current identified priorities. By addressing these priorities, the City hopes to meet the objectives stated in the 2020-2025 Consolidated Plan. All the proposed projects and activities are intended to principally benefit residents in the City who are extremely low, low- and moderate-income and populations that have special needs, such as elderly, disabled, and homeless.

Summarize the objectives and outcomes identified in the Plan

The City of Cupertino is located in Santa Clara County (County), directly west of San Jose, on the western edge of the Santa Clara Valley with portions extending into the foothills of the Santa Cruz Mountains. The population is 59,276 according to the U.S. Census "Quickfacts" (<u>https://www.census.gov/quickfacts/fact/table/cupertinocitycalifornia/PST045219</u>). The City remains one of the most expensive cities to live in with a median home value of \$2,320,790 (<u>https://www.zillow.com/cupertino-ca/home-values/</u>).

The 2021-22 Action Plan provides a summary of how the City will utilize its CDBG allocation to meet the needs of the City's low-income population. According to the U.S. Census "Quickfacts" data, 6% of all residents within the City had incomes at or below the federal poverty level. Additionally, during the 2019 County of Santa Clara Point-in-Time Homeless Census, 59 unsheltered homeless individuals were found living within the City of Cupertino. This number represents an increase of 25% from the 127 individuals that were counted in 2017.

As mentioned previously, a total of \$462,750 in CDBG entitlement, program income, and previous year unused funds are available for funding projects and programs to address the needs of the City's lower income and special needs populations. Additionally, the City has access to a variety of federal, state and local resources to achieve its housing and community development priorities.

Table 1, 2021-22 Action Plan CDBG Budget, summarizes the proposed uses of the funds. It should be noted that the City's has a three-year public service grant cycle. The 2021-22 Action Plan represents year 2 of the three-year cycle.

| Applicant Agency | Amount |
|--|--------------|
| Public Service (15%) | |
| Live Oak Adult Day Care | \$22,396.50 |
| West Valley Community Services – CARE | |
| Program | \$39,816.00 |
| Sub-Total | \$62,212.50 |
| Capital/Housing Projects (65%) + \$48,000 | |
| Previous Year Unused CDBG Funds | |
| Rebuilding Together Silicon Valley – Minor | |
| Home Repair Program | \$97,318.00 |
| West Valley Community Services – Vista | |
| Village Repair Project | \$220,269.50 |
| Sub-Total | \$317,587.50 |
| Program Administration (20%) | \$82,950.00 |
| Total | \$462,750.00 |

Table 1. Fiscal Year 2021 CDBG BudgetCity of Cupertino

Finally, it should be noted that HUD has established a set of outcomes and objectives entitlement jurisdictions need to address. The outcomes and objectives are noted within each of the Goals included in the Strategic Plan (SP-45) section of the 2020-25 Consolidated Plan and are as follows:

- Outcomes: Availability/Accessibility; Affordability; Sustainability
- Objectives: Create suitable living environments; provide decent affordable housing; create economic opportunities.

The goals identified in this Action Plan are taken from the Consolidated Plan's Strategic Plan which describes how federal funds and other resources will be deployed and what other actions will be taken to address community development and affordable housing needs over the next five years. The goals are: Affordable Housing; Prevent and Assist Those Experiencing Homelessness; Community Services; and Fair Housing. All four goals will be addressed through the proposed activities shown in **Table 1** and/or through the use of the City's General Funds.

Evaluation of past performance

The City is responsible for ensuring compliance with all rules and regulations associated with the CDBG and HOME entitlement grant programs. The City's annual Action Plans and CAPERs have provided many details regarding the goals, projects and programs completed by the City through the CDBG program. Only CDBG administration have not directly served low- and moderate-income persons. Eligible public service activities have included senior and disabled adult services and housing and case management services. These activities have had a positive impact on identified needs in the community and are provided services that benefit low- and moderate-income Cupertino residents. Eligible funded capital housing projects included a single family residential minor home repair program, which served low- and moderate-income senior homeowners across the City. The repairs addressed accessibility, health and safety issues. Additionally, several units within a rental affordable multi-family were repaired. As can be expected, community needs continue to exceed the available resources.

The City recognizes that the evaluation of past performance is critical to ensure that the City and its subrecipients are implementing activities effectively and that those activities align with the City's overall strategies and goals as outlined in the 2020-2025 Consolidated Plan. The City evaluates the performance of subrecipients on a quarterly basis. Subrecipients are required to submit quarterly progress reports, which include client data, performance objectives, as well as data on outcome measures. Prior to the start of the program year, program objectives are developed collaboratively by the subrecipient and the City, ensuring that they align with the City's overall goals and strategies. The City utilizes the quarterly reports to review progress towards annual goals.

Summary of Citizen Participation Process and consultation process

The City solicited input throughout the development of the FY 2021 Action Plan. As required but HUD, the City provides multiple opportunities for public review and comment on the Action Plan. Per the City's adopted Citizen Participation Plan, the City held a 30-day public comment period for the Action Plan. The City published notifications of upcoming public hearings and the 30-day public review comment period in the local Cupertino Courier newspaper for general circulation, on the City's Housing webpage and via email blasts to stakeholders. The City held two advertised public hearings on May 13, 2021 (Housing Commission) and June 15, 2021 (City Council). The Action Plan 30-day public review period occurred from April 16, 2021 through May 16, 2021.

Summary of public comments (*To be updated 5/30/21 after close of comment period*) To date, no comments have been received during the public review period.

Summary of comments or views not accepted and the reasons for not accepting them

The City accepts and responds to all comments that are submitted. As mentioned above, no public comments were received regarding the 2021 Action Plan.

Summary Please see above.

PR-05 Lead & Responsible Agencies - 91.200(b)

Agency/entity responsible for preparing/administering the Consolidated Plan

The following are the agencies/entities responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Table 2. Responsible Agency

| Agency Role | Name | Department/Agency |
|--------------------|-----------|------------------------------|
| CDBG Administrator | Cupertino | City of Cupertino, Community |
| | | Development Department |

Narrative

The City of Cupertino is the Lead and Responsible Agency for the United States Department of Housing and Urban Development's (HUD) Community Development Block Grant (CDBG) entitlement program. The Community Development Department, Housing Division is responsible for administering the Community Development Block Grant (CDBG) program. The City joined the HOME Consortium in 2015.

Entitlement jurisdictions receive entitlement funding (i.e., non-competitive, formula funds) from HUD. HUD requires the City to submit a five-year Consolidated Plan and Annual Action Plan to HUD listing priorities and strategies for the use of its federal funds. The Consolidated Plan helps local jurisdictions to assess their affordable housing and community development needs and market conditions to meet the housing and community development needs of its populations. As a part of the Consolidated Plan process for 2020-2025, the City collaborated with the County of Santa Clara(County) as the Urban County representing the Cities of Campbell, Los Altos, Los Altos Hills, Los Gatos, Monte Sereno, Morgan Hill, and Saratoga; the Cities of Gilroy, Mountain View, Palo Alto, Sunnyvale, San José, and Santa Clara; and the Santa Clara County Housing Authority (SCCHA) to identify and prioritize housing and community development needs across the region, and to develop strategies to meet those needs. The FY 2021 Action Plan represents the second year of CDBG funding of the 2020-2025 Consolidated Plan.

> Annual Action Plan 2021

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

Introduction

The Action Plan is a one-year plan which describes the eligible programs, projects and activities to be undertaken with funds expected during FY 2021-2022 and their relationship to the priority housing, homeless and community development needs outlined in the 2020-2025 Consolidated Plan.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

During Fiscal Year 2021-22, the City will continue to work with non-profit organizations to provide programs and services for low-income households; private industry, including financial and housing development groups, to encourage the development of affordable housing opportunities regionally and within the City; and other local jurisdictions, including the County of Santa Clara, in carrying out and monitoring regional projects in a coordinated and cost-effective manner.

In addition, the City will continue to participate in the County's quarterly CDBG Coordinator's Group meetings, in which entitlement jurisdictions throughout the region gather to discuss existing CDBG needs and proposed use of federal funds for the upcoming year.

The City will also participate in the County's Regional Housing Working Group, which is a forum for entitlement and non-entitlement jurisdictions to develop coordinated responses to regional housing challenges. The City's Housing Manager regularly monitors monthly Continuum of Care (CoC) meetings. The CoC is a broad group of stakeholders dedicated to ending and preventing homelessness in Santa Clara County. The key CoC responsibilities are ensuring community-wide implementation of efforts to end homelessness and ensuring programmatic and systemic effectiveness.

The City will attend HOME Consortium meetings between member jurisdictions for affordable housing proposals and projects.

In addition to the actions listed above, the City will continue to participate in the annual Affordable Housing Week (May) activities such as partnering with nonprofit agencies to host a housing fair to provide residents with access to developers, BMR managers, and housing agencies and programs. The City will also continue to leverage its BMR AHF to assist nonprofit affordable housing developers.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness. The Santa Clara County Office of Supportive Housing is the administrator of the regional Continuum of Care (CoC). The City continuously coordinates with the Santa Clara County CoC to end and prevent homelessness in the County. City staff attends monthly meetings. The Santa Clara County CoC is a group comprising stakeholders throughout the County, including governmental agencies, homeless service and shelter providers, homeless population, housing advocates, affordable housing developers, and various private parties, including businesses and foundations.

The City's representation on the CoC Board is its Housing Manager. Members of the CoC meet monthly to plan CoC programs, identify gaps in homeless services, establish funding priorities, and pursue a systematic approach to addressing homelessness. City staff, as well as staff of other cities, meet and consult with the County's CoC staff during the bi-weekly countywide CDBG Coordinators Group meetings, and communicate more frequently via email and/or phone on joint efforts.

The CoC is governed by the CoC Board, which takes a systems-change approach to preventing and ending homelessness. This same CoC Board is comprised of the same individuals who serve on the Destination: Home (Destination Home) Leadership Board. Destination Home is a public private partnership that is committed to collective impact strategies to end chronic homelessness. Destination Home is the governing body for the CoC and is responsible for implementing bylaws and operational protocols of the CoC.

Regional efforts of the CoC include the development of The Community Plan to End Homelessness, which identifies strategies to address the needs of people experiencing homelessness in the County, including chronically homeless individuals and families, families with children, veterans, and unaccompanied youth. The plan also addresses the needs of persons at risk of homelessness.

The CoC is now in the process of updating a new plan for the next five years and the City plans to participate in these efforts. Also, during the development of the 2020-25 ConPlan, the City consulted both the CoC and County Office of Supportive Housing for their expertise and experience for identifying community needs.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Cupertino does not receive ESG funds. The County does not receive ESG funds through HUD.

The County currently receives ESG funds through the State of California. The County provides a funding reference sheet that compares the differences between ESG and CoC with regards to homeless eligibility, income restrictions, assessment, rental assistance, housing standards, lease terms, eligible costs, eligible service costs, case management, service limitations and standards, policies and procedures.

This funding reference sheet may be found here: https://www.sccgov.org/sites/osh/ContinuumofCare/CoC%20Toolkit/Documents/Resources/RR H%20Funding%20Reference%20Chart%20-%20ESG%20vs%20CoC%20-%20May%202020.pdf The Santa Clara County Continuum of Care takes the role of Homeless Management Information System (HMIS) administration. The County, and its consultant Bitfocus, work jointly to operate and oversee HMIS. Both software and HMIS system administration are now provided by Bitfocus. Funding for HMIS in Santa Clara County comes from HUD, the County of Santa Clara, and the City of San Jose. The County's HMIS is used by many city service providers across the region to record information and report outcomes. The software meets and exceeds HUD's requirements for the implementation and compliance of HMIS Standards. The project has a rich array of service provider participation and is utilized to capture information and report on special programming and prevention service delivery.

Not applicable. No agency types were intentionally left out of the consultation process. Over 20 agency types were contacted during the consultation process.

Other local/regional/state/federal planning efforts considered when preparing the Plan

| Name of Plan | Lead Organization | How do the goals of your Strategic Plan overlap with the goals of each plan? |
|---|---|--|
| Continuum of Care | Regional Continuum of Care Council Santa Clara County | Addresses issues pertaining to homelessness through provision of social services such as food-related assistance, legal services, and employment training opportunities. |
| City of Cupertino General Plan Housing Element | City of Cupertino | Serves as a policy guide to evaluate existing and future housing needs, i.e., determines whether housing availability meets the needs of the population. |
| Regional Housing Needs Plan for the San Francisco Bay Area | Association of Bay Area Governments | Analyzes total regional housing needs, i.e., determines number of units needed to be built per income category. |
| Community Plan to End Homelessness in Santa Clara | Destination: Home | Creates a community-wide road map that identifies specific homeless populations in the County and strategies to address the needs of these populations. |
| Santa Clara County Housing Authority (SCCHA) Moving to Work | Housing Authority of the County of Santa Clara | Addresses housing authority updates and strategies pertaining to public housing and vouchers. |
| Comprehensive Economic Development Strategy | Association of Bay Area Governments | Addresses issues relating to the job and labor issues, and economic development issues in the area. |

Table 4. Other local / regional / federal planning efforts

Narrative

The collaborative implementation of the 2020-2025 Consolidated Plan began with the coordinated efforts of multiple public agencies working together to gather feedback and information for both regional and local community needs and priorities. Once the needs and priorities were identified, they were incorporated into the City's Consolidated Plans that included both regional and local strategies for addressing those needs and priorities. The seven entitlement grantee jurisdictions involved in the collaborative outreach efforts were the Cities of Cupertino, Gilroy, Mountain View, Palo Alto, San Jose, Santa Clara, and Sunnyvale. Several other government stakeholder agencies were contacted and assisted the City in its efforts to gather feedback on the 2020-2025 Consolidated Plan and the annual Action Plan.

AP-12 Participation - 91.401, 91.105, 91.200(c)

Summary of citizen participation process/Efforts made to broaden citizen participation. Summarize citizen participation process and how it impacted goal-setting.

The Housing Division of the Community Development Department, Housing Division is the lead agency for overseeing the development of the Consolidated Plan and the annual Action Plan. Per the City's adopted Citizen Participation Plan, the City provides a 30-day public review comment period for the Action Plan. The City has published the notifications of upcoming public hearings and the 30-day public review comment period in the local Cupertino Courier newspaper for general circulation. The City held two advertised public hearings on May 13, 2021 and June 15, 2021. The Action Plan 30-day public review period occurred from April 16, 2021 to May 16, 2021. The City has not received any public comments to date.

Annual Action Plan 2021

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

The City was notified by HUD that it will receive \$406,806 in CDBG entitlement funds with an additional \$7,944 in program income and \$48,000 in unused funds from previous fiscal years for a total of \$462,750 in CDBG for the 2021-22 program year. It should be noted that while the HUD CDBG allocations are critical, the allocations are not sufficient to overcome barriers and address all of the needs that low-income individuals and families face in attaining self-sufficiency. The City will continue to leverage additional resources as described below to provide support and services to the populations in need within the community.

Table 6 shows a break-down of the CDBG and non-CDBG sources of funds that are intended for community development activities during the 2021-2022 program year.

Table (Expected Decou

| | Table 6 - Expected Resources | | | | | | | |

| Below Market Rate Affordable Housing Fund | Public Local | Affordable Housing-Fair Housing | \$50,000 | \$0 | \$0 | \$50,000 | | Fund will be used to provide fair housing services. |
| Other General Fund Human Services Grant | Public Local | Non-housing Community Services | \$115,780 | \$0 | \$0 | \$115,780 | | The City issues grants to nonprofit agencies providing services to Cupertino residents. |

Anticipated Resources

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Entitlement Funds

Leverage, in the context of the CDBG and HOME Investment Partnerships Program (HOME), means bringing other local, state, and federal financial resources to maximize the reach and impact of the City's HUD Programs. HUD, like many other federal agencies, encourages the recipients of federal monies to demonstrate that efforts are being made to strategically leverage additional funds in order to achieve greater results.

The City joined the Santa Clara County's HOME Consortium in 2015 and does not receive federal HOME funds on an entitlement basis from HUD. The HOME Consortia consists of the cities of Cupertino, Gilroy, Palo Alto, and the Urban County. HOME funds can be used to fund eligible affordable housing projects for acquisition, construction and rehabilitation. Starting in FY 2015-16 developers of affordable housing projects were eligible to competitively apply through an annual RFP process directly to the County for HOME funds to help subsidize affordable housing projects in Cupertino. The County will only fund a project that has the local support of the City. If the City receives HOME dollars from its participation in the HOME consortium, the required 25 percent matching funds will be provided from the City's Affordable Housing Fund. To date, one senior affordable housing rental project, The Veranda, has been funded through the HOME Consortium.

The City plans to increase outreach to developers to provide additional information on the HOME Consortium and available funding.

Other Federal Grant Programs

In addition to the CDBG entitlement dollars, the federal government has several other funding programs for community development and affordable housing activities. These include: Section 8 Housing Choice Voucher Program, Section 202, Section 811, the Federal Home Loan Bank Affordable Housing Program (AHP), and others. It should be noted that in most cases the City would not be the applicant for these funding sources as many of these programs offer assistance to affordable housing developers rather than local jurisdictions.

State Housing and Community Development Sources

In California, the Department of Housing and Community Development (HCD) and the California Housing Finance Agency (CalHFA) administer a variety of statewide public affordable housing programs that offer assistance to nonprofit affordable housing developers. Examples of HCD's programs include the Multifamily Housing Program (MHP), Affordable Housing Innovation Fund (AHIF), Building Equity and Growth in Neighborhoods Program (BEGIN), and CalHOME. Many HCD programs have historically been funded by one-time State bond issuances and, as such, are subject to limited availability of funding. CalHFA offers multiple mortgage loan

programs, down payment assistance programs, and funding for the construction, acquisition, and rehabilitation of affordable ownership units. The State also administers the federal Low-Income Housing Tax Credit (LIHTC) program, a widely used financing source for affordable housing projects. As with the other federal grant programs discussed above, the City would not apply for these funding sources. Rather, local affordable housing developers could apply for funding through these programs for particular developments in the City. Additionally, the County also receives Mental Health Services Act (MHSA) funds from the State for housing

If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City's 2015-2023 Housing Element update has identified five sites that would be able to accommodate up to 1,400 housing units.

Discussion

CDBG allocations are critical to overcoming barriers to affordable housing; however, they are not sufficient to address all the needs of LMI households nor the lack of affordable housing units. Therefore, the City will continue to leverage other funding sources to support affordable housing and provide services to populations in need. The City anticipates researching and/or pursuing additional funding opportunities.

AP-20 Annual Goals and Objectives - 91.420, 91.220(c)(3)&(e)

Goals Summary Information

| Sort Order | Goal Name | Start Year | End Year | Category | Geographic Area | Needs Addressed | Funding | Goal Outcome Indicator |

Table 7. Goal Summary

Goal Descriptions

The Consolidated Plan goals below represent high priority needs for the City of Cupertino and serve as the basis for the strategic actions the City will use to meet these needs. The goals, listed in no particular order, are:

| | | Table 0: Goal Descriptions |
|---|---------------------|--|
| 1 | Goal Name | Homeowner Rehabilitation |
| | Goal Description | Make critical home repairs for lower income and disabled resident homeowners who could not otherwise afford to make critical repairs in their homes. Repairs/rehabilitation is for critical health and safety issues and/or the addition of accessible features for disabled and/or elderly homeowners who may otherwise not be able to stay in their homes. |
| 2 | Goal Name | Rental Unit Rehabilitation |
| | Goal Description | Repair/rehabilitate affordable rental housing units for extremely low- and low-income residents. |
| 3 | Goal Name | Frail Elderly/Elderly Services |
| | Goal Description | Provide services to frail elderly, elderly, and disabled residents. Supportive services may include activities geared to maximize the social experience and mental stimulation of elderly clients, and to improve/sustain their mental and physical function and their quality of life. |
| 4 | Goal Name | Services for Low-Income Families and Homeless Populations |
| | Goal Description | Provide supportive services for low-income families and homeless populations. |
| 5 | Goal Name | Fair Housing |
| | Goal Description | Provide landlord/tenant counseling, and dispute resolution services activities to LMI residents. |
| 6 | Goal Name | Planning and Administration |
| | Goal Description | General administration of the CDBG program, including all planning and reporting activities. |

Table 8. Goal Descriptions

AP-35 Projects - 91.420, 91.220(d)

Introduction

The City received its an allocation from HUD for Program Year 2021-22 which includes \$406,806 in entitlement funds, \$7,944 in program income, and \$48,000 in unexpended funds from previous years. In addition, the City is making available \$115,780 in General Funds and \$50,000 in Below Market Rate/Affordable Housing Funds.

Although not anticipated, should these expected resources be revised prior to the Plan being adopted, the City will adjust each project/program listed below on a pro-rated basis to reflected the overall funds available.

| # | Project Name | | |
|---|--|--|--|
| 1 | Frail Elderly/Elderly Services, Live Oak Adult Day Care Program | | |
| 2 | Services for Low-income Families and Homeless, Community Access to | | |
| | Resources and Education (CARE) | | |
| 3 | Homeowner Rehabilitation, Rebuilding Together Silicon Valley | | |
| 4 | Rental Unit Rehabilitation, Vista Village Renovation Project | | |
| 5 | Program Administration | | |

Table 9 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City awards CDBG funding to projects and programs that will primarily benefit low-income, homeless and special needs households. The City operates on a three-year grant funding cycle for CDBG public service grants and a one-year cycle for CDBG capital housing rehabilitation projects. Projects are only considered for funding within the Consolidated Plan period if they address the goals discussed above.

Funding of most projects was based on a competitive process that involved a Request for Proposals from the City's annual NOFA that was released on November 10, 2020. Interested applicants submitted funding proposals to the City based on the targeted priorities developed by the City. Proposals were then reviewed by the City staff and the City Housing Commission. Funds were distributed based on the applicants meeting the stated priorities and funding availability. The main obstacle to this process was the limited availability of funding. The City also contributed BMR funds (\$50,000) and General Fund (\$115,780) to the NOFA process to assist additional organizations that could not be funded with CDBG dollars due to funding constraints.

AP-38 Project Summary

Project Summary Information

Table 9 below provides additional information on the projects that will be funded in FY 2021-22 with the City's CDBG funds. One project, Fair Housing, will be funded with \$50,000 from the City's BMR fund.

| 1 | Project Name | Live Oak Adult Day Care Program |
|---|-------------------------|--|
| | Target Area | Citywide |
| | Goal Supported | Frail Elderly/Elderly Services |
| | Needs Addressed | Non-housing Community Services |
| | | Non-Homeless Special Needs |
| | Funding | \$22,396.50 |
| | Description | Live Oak Adult Services will provide services for 22 frail elderly and elderly disabled residents who |
| | | otherwise may have to be institutionalized. Supportive services are geared to maximize the social experience |
| | | and mental stimulation of elderly clients, and to improve/sustain their mental and physical function and their |
| | | quality of life through exercise, music, nutritious meals, visual arts, music and games and puzzles. Caregiver |
| | | support workshops are also available. |
| | Target Date | June 30, 2022 |
| | Estimate the number | 22 persons will be served. |
| | and type of families | |
| | that will benefit from | |
| | the proposed activities | |
| | Location Description | Citywide (20930 McClellan Road, Cupertino) |
| - | Planned Activities | See above description. |
| 2 | Project Name | Community Access for Resources and Education |
| | Target Area | Citywide |
| | Goal Supported | Supportive Services for Low-Income Families and Homeless Populations |
| | Needs Addressed | Prevent and Assist Those Experiencing Homeless Non-housing Community Services |
| | Funding. | \$39,816.00 |
| | Funding Description | The WVCS CARE program will provide services for 100 low-income and homeless families and |
| | Description | individuals. The program connects clients with community resources, making services easily available and |
| | | accessible, and works with them on capacity building. The main objectives of CARE are to encourage more |
| | | stable and sustainable solutions that foster self-sufficiency instead of dependency. |
| | Target Date | June 30, 2022 |
| | Estimate the number | 100 persons will be served. |
| | and type of families | |
| | that will benefit from | |
| | the proposed activities | |

| | Location Description | Citywide |
|---|-------------------------|--|
| | Planned Activities | See above description. |
| 3 | Project Name | Rebuilding Together Silicon Valley |
| | Target Area | Citywide |
| | Goal Supported | Homeowner Rehabilitation |
| | Needs Addressed | Affordable Housing |
| | Funding | \$97,318.00 |
| | Description | Rebuilding Together Silicon Valley will provide funds to seven low-income Cupertino homeowners who |
| | | could not otherwise afford to make critical repairs in their homes, resulting in health and safety issues. |
| | | Grants may include funding for the addition of accessible features for disabled and/or elderly homeowners |
| | | who may otherwise not be able to stay in their homes. |
| | Target Date | June 30, 2022 |
| | Estimate the number | 8 housing units will be rehabilitated. |
| | and type of families | |
| | that will benefit from | |
| | the proposed activities | |
| | Location Description | Citywide |
| | Planned Activities | See above description. |
| 4 | Project Name | Vista Village Renovation Project |
| | Target Area | Citywide |
| | Goal Supported | Rental Unit Rehabilitation |
| | Needs Addressed | Affordable Housing |
| | Funding | \$220,269.50 |
| | Description | West Valley Community Services, Inc. will repair 5 rental units in the Vista Village BMR rental complex. |
| | | Tenants who live in the complex are very low- and low-income residents. |
| | Target Date | June 30, 2022 |
| | Estimate the number | 5 housing units will be rehabilitated. |
| | and type of families | |
| | that will benefit from | |
| | the proposed activities | |
| | Location Description | 10104 Vista Drive, Cupertino |
| | Planned Activities | See above description. |
| 5 | Project Name | Fair Housing |
| | Target Area | Citywide |
| | Goal Supported | Fair Housing |

| | Needs Addressed | Fair Housing |
|---|---------------------------|---|
| | Funding | \$0 (\$50,000 provided annually by BMR: AFH) |
| | Description | Project Sentinel will provide landlord/tenant counseling and dispute resolution services activities to 82 low |
| | ^ | moderate residents. |
| | Target Date | June 30, 2022 |
| | Estimate the number | 82 persons will be served. |
| | and type of families | |
| | that will benefit from | |
| | the proposed activities | |
| | Location Description | Citywide |
| | Planned Activities | See above description. |
| 6 | Project Name | Planning and Administration |
| | Target Area | Citywide |
| | Goal Supported | Not applicable |
| | Needs Addressed | Not applicable |
| | Funding | \$82,950.00 |
| | Description | Administer the administrative costs for the overall management, coordination, and evaluation of the CDBG |
| | | program, and the project delivery costs associated with bringing projects to completion. |
| | Target Date | June 30, 2022 |
| | Estimate the number | Not applicable |
| | and type of families | |

Discussion

Please see discussion above.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

The City is subject to the same barriers to affordable housing that exist across the Bay Area. These issues include the high costs of development, constraining the development of affordable housing units in favor of higher-end units, and the lack of developable land, which prevents housing development and increases the price of land.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment.

The City identified several potential constraints to the development, maintenance, and improvement of housing and affordable housing, in its 2015-2023 Housing Element update including:

- General Plan The General Plan indicates the allowable uses and densities at various locations in the City. The Land Use/Community Design section identifies five categories of residential uses based on dwelling unit density, expressed as the number of dwelling units permitted per gross acre. As such, a City's General Plan contains several items that can affect the development and distribution of housing, such as land-use classifications, and density and intensity standards.
- Zoning Ordinance Zoning ordinances and other land-use controls have a direct effect on the availability and range of housing choices within a community. The Cupertino Zoning Ordinance establishes development standards and densities for new housing in the City. These regulations include minimum lot sizes, maximum number of dwelling units per acre, lot width, setbacks, lot coverage, maximum building height, and minimum parking requirements.
- Parking Requirements Parking requirements, when excessive, may serve as a constraint to housing development by increasing development costs and reducing the amount of land available for project amenities or additional units. The City's parking requirements are higher than many other jurisdictions, particularly for single-family homes. Considering the high cost of land, the high parking standards may serve as a constraint to housing provision.
- Site Improvements Site improvement requirements are the responsibility of residential developers who are responsible for constructing road, water, sewer, and storm drainage improvements on new housing sites. Where a project has off-site impacts, such as increased storm water runoff or added traffic congestion at a nearby intersection, additional developer expenses may be necessary to mitigate impacts. These expenses may be passed on to consumers, as increased sales or rental costs.

In general, residential developers interviewed for the 2015-2023 Housing Element update reported that the Cupertino's public policies do not stand as a constraint to new housing production.

Discussion

The City has identified strategies to remove or ameliorate barriers to affordable housing in their

Annual Action Plan

2021

2015-2023 Housing Element, which include:

- Continuing to implement the second dwelling unit ordinance;
- Facilitating lot consolidations;
- Being flexible with development standards;
- Planning for increased densities in the "Heart of the City";
- Collecting housing mitigation fees;
- Incentivizing development; and
- Conserving housing stock.

Additionally, the City is addressing the barriers to affordable housing through the following programs and ordinances:

Below Market Rate (BMR) Affordable Housing Fund (AHF)

The City's BMR AHF receives its revenue from the payment of housing mitigation fees from non-residential (office, retail, R&D, hotel and industrial) and residential development. The residential BMR program applies to new residential developments greater than one unit. Homeownership developments of one to six units are required to pay an in-lieu fee. Homeownership developments of seven units are greater are required to designate 15 percent of the total number of units in an ownership development as affordable. Developers of market-rate rental units, where the units cannot be sold individually, must pay a housing mitigation fee to the BMR AHF.

For non-residential housing mitigation in the City, a fee is applied to new square footage of development. The fee is then deposited in the City's BMR AHF and is used for the provision of affordable housing. The City Council adopted a nexus study on May 5, 2015 that reassessed the housing mitigation fees developers pay to the BMR AHF. The nexus study was updated in 2020.

HOME Investment Partnerships Program (HOME)

The City joined the County's HOME Consortium in 2015. HOME funds can be used to fund eligible affordable housing projects for acquisition, construction and rehabilitation. Starting in the federal FY 2015, developers of affordable housing projects were eligible to competitively apply through an annual RFP process directly to the County for HOME funds to help subsidize affordable housing projects in Cupertino.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

This section discusses the City's efforts in addressing the underserved needs, expanding and preserving affordable housing, reducing lead-based paint hazards, and developing institutional structure for delivering housing and community development activities.

Actions planned to address obstacles to meeting underserved needs

To address obstacles to meeting underserved needs, the City supplements its CDBG funding with other resources and funds, such as:

- The City's BMR AHF fund receives its revenue from the payment of housing mitigation fees from non-residential (office, retail, R&D, hotel and industrial) and residential development. The Housing Mitigation fee program acknowledges housing needs created by the development of non-residential and residential projects, and the fees collected are deposited in the City's BMR AHF and are to be used for the provision of affordable housing.
- Each year the City allocates approximately \$50,000 from the BMR AHF to provide public service grants to public and human service agencies within the City limits.
- Each year the City allocates approximately \$100,000 from the General Fund to provide Human Service Grants to public and human service agencies within the City limits.
- HOME Program funds are available on an annual competitive basis through the State of California HOME program, and the County HOME Consortium.
- In response to COVID-19 and the associated stay-at-home order, the City allocated \$200,000 to programs such as Emergency Rental Assistance programs to help households that have become more vulnerable due to the pandemic.
- The City contributed \$25,000 to help create two new programs for qualified De Anza students. These new programs are administered by the college in partnership with West Valley Community Services and Catholic Charities of Santa Clara County.
- The City created a Homelessness Task Force to assist with the needs of the unhoused residents in Cupertino and launched a program to provide weekly outreach and a pathway to housing for encampment members at the encampment located along Wolfe Road near Interstate 280
- The State of California's Multifamily Housing Program has been a major source of funding for affordable housing since 2002. This program provides low-interest loans to developers of affordable rental housing.
- WVCS is a nonprofit organization that administers additional affordable housing programs in the City, which include providing support services to homeless individuals and managing a transitional housing facility.
- The Housing Trust Silicon Valley (HTSV) is a public/private venture, dedicated to increasing affordable housing in the county. The Trust makes available funds for developers to borrow for the construction of affordable units.
- The Mortgage Credit Certificate (MCC) Program provides assistance to first-time homebuyers by allowing an eligible purchaser to take 20 percent of their annual mortgage interest payment as a tax credit against federal income taxes. The County administers the MCC Program on behalf of the jurisdictions, including the City.

- The Santa Clara County Affordable Housing Fund was created in 2002, with an initial investment by the Board of Supervisors of \$18.6 million. The AHF is used for affordable housing developments and allows the leveraging of its funding with other sources to create affordable housing in the County. Additionally, a bond measure was passed this year that will add additional public funds for affordable housing projects in the County.
- The HACSC administers the federal Section 8 program countywide. The program provides rental subsidies and develops affordable housing for low-income households, seniors and persons with disabilities living within the county.

Actions planned to foster and maintain affordable housing

The City will foster and maintain affordable housing by continuing the following programs and ordinances:

- The City's Accessory Dwelling Unit Ordinance, which allows an additional unit to be built on any already developed parcel containing a single-family home.
- The City's Density Bonus Ordinance allows an increase in density for developments that provide a proportion of units for very low or low-income households or for seniors.
- All new developments must either provide BMR units or pay a housing mitigation fee, which is placed in the City's BMR AHF.
- Homeownership developments between one unit and six units pay an in-lieu fee which is deposited into the City's BMR AHF. Homeownership developments greater than six units must designate at least 15 percent of units within a development at a cost that makes the units affordable to median and moderate-income households.
- The City's participation in the County's HOME Consortium will allow developers of eligible affordable housing projects in the City to competitively apply through an annual RFP process directly to the County for HOME funds to help subsidize affordable housing projects in Cupertino, including acquisition, construction and rehabilitation. The City funded its first project through the HOME consortium with the 25% match requirement. The project, The Veranda, will provide 18 units of low-income affordable housing to seniors and one property manager unit.

Actions planned to reduce lead-based paint hazards

Lead-based paint awareness and abatement is fully integrated by the City into its assisted housing programs. Each tenant, landlord and property owner will be informed of the dangers, symptoms, testing, treatment and prevention of lead-based paint poisoning. Lead-based paint hazard stabilization or abatement will be provided in each and every rehabilitation project. Furthermore, adherence to Federal guidelines for reduction activities with lead-based paint is provided for in every federally funded rehabilitation loan.

Actions planned to reduce the number of poverty-level families

In a continuing effort to reduce poverty, the City will make it a priority to fund agencies that provide direct assistance to the homeless and those at-risk of becoming homeless. In FY 2021-22, the City will allocate CDBG dollars to the following program:

• Community Access to Resources and Education (CARE) - The CARE program incorporates both case management and wrap around services to help at risk and vulnerable households manage crisis and provide stabilization to help them move towards self-sufficiency. The target population of the CARE program includes low-income seniors, families with children, at-risk youth and adults. The CARE program includes case management, access to food pantry and emergency financial assistance.

• Live Oak Adult Day Services – Senior Adult Day Care – Serve 22 unduplicated frail, dependent, low-income Cupertino seniors. Provides services for seniors at-risk of being institutionalized. Provides specialized programs such as recreation, mental stimulation, companionship and nutritious meals to seniors.

Additionally, the City supports organizations working to reduce poverty throughout the region, including:

- Santa Clara County Human Services, which helps clients develop a "welfare to work" plan and provides career advising, job placement, resume development, and interviewing skills to students. The Department of Human Services also serves homeless individuals with job training and housing.
- The NOVA Workforce Development Board provides training and employment services to those residing in the Cities of Santa Clara, Cupertino, Los Altos, Milpitas, Mountain View, Palo Alto, and Sunnyvale. Many of its services and programs target disadvantaged youth and adult populations, who may have limited education and/or barriers to employment.
- The SCCHA is a Moving to Work agency, which allows programs that focus on self-sufficiency and affordable housing.
- Santa Clara Unified School District's Adult Education Center offers a variety of courses and resources, including English as a second language and resources for immigrants, high school diploma and GED courses, career training, enrichment courses, exercise and wellness courses, parenting classes, an on-site preschool, and on-site CalWORKs office dedicated to working with students at the Adult Education Center.

Actions planned to develop institutional structure

City staff will continue the following collaborative efforts to improve institutional structure:

- Regular quarterly meetings between entitlement jurisdictions at the CDBG Coordinators Meeting and Regional Housing Working Group
- Joint jurisdiction Request for Proposals and project review committees
- Coordination on project management for projects funded by multiple jurisdictions
- HOME Consortium meetings between member jurisdictions for affordable housing projects

Actions planned to enhance coordination between public and private housing and social service agencies

The City benefits from a strong jurisdiction and region-wide network of housing and community development partners, such as Regional Housing Working Group and the CoC. To improve intergovernmental and private sector cooperation, the City will continue to participate with other local jurisdictions and developers in sharing information and resources.

In addition to the actions listed above, the City will continue to partner with nonprofit agencies to host a yearly Housing Fair to provide residents with access to developers, BMR managers, and housing agencies and programs. The City will also continue to leverage its BMR AHF to assist nonprofit affordable housing developers.

Discussion

Please see discussion above.

AP-90 Program Specific Requirements - 91.420, 91.220(l)(1,2,4)

Introduction

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(l)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

Table 11. Program Income

| 1. The total amount of program income that will have been received before | \$7,944.00 |
|---|------------|
| the start of the next program year and that has not yet been reprogrammed | |
| 2. The amount of proceeds from section 108 loan guarantees that will be | \$0 |
| used during the year to address the priority needs and specific objectives | |
| identified in the grantee's strategic plan | |
| 3. The amount of surplus funds from urban renewal settlements | \$0 |
| 4. The amount of any grant funds returned to the line of credit for which the | \$0 |
| planned use has not been included in a prior statement or plan. | |
| 5. The amount of income from float-funded activities | \$0 |
| Total Program Income | \$7,944.00 |

Other CDBG Requirements

| 1. The amount of urgent need activities | 0 |
|---|------|
| 2. The estimated percentage of CDBG funds that will be used for activities | |
| that benefit persons of low and moderate income. Overall Benefit - A | |
| consecutive period of one, two or three years may be used to determine that a | 100% |
| minimum overall benefit of 70% of CDBG funds is used to benefit persons of | |
| low and moderate income. Specify the years covered that include this Annual | |
| Action Plan. | |
| | |

Discussion

The City will attempt to meet an overall benefit of 100% for this Annual Action Plan which will be for one year.
