PARKS AND RECREATION COMMISSION STAFF REPORT

Meeting: May 6, 2021

Subject

Rancho Rinconada Recreation and Park District Community Outreach.

Recommended Action

Receive an update on Rancho Rinconada Recreation and Park District Community Outreach.

Discussion

City Council unanimously carried a motion at their March 2 special meeting study session to delay consideration of the Rancho Rinconada Recreation and Park District (RRRPD) acquisition, to allow for engagement in long-term planning for aquatics facilities in the City, and until RRRPD completes their strategic visioning and outreach and makes a recommendation. The Parks and Recreation Commission and the City have made an effort to maintain current on important updates regarding the strategic visioning process and community outreach. Staff will provide an update on RRRPD's community outreach efforts, including community meetings and their published survey. The City has also updated the Rancho Rinconada project webpage, which the Commission will have the opportunity to review and provide input.
