

Nature Play Areas	Opportunity								Potential Elements [Amenities, program options and uses will be determined through site master plans, facility business plans, and market studies]								Phasing/Options								Implementation																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																										
	Provide nature play elements in parks to connect people to nature and support experiential play.								-climbable elements such as logs, stumps, boulders, mounds and trees -water features or water play features (hand pump, e.g.) -sand, mud, wood chips, rocks -movable pieces, such as branches for fort-building -other natural play elements consistent with the site character -plants and trees -butterfly gardens								Short Term: Create a pilot program at one site, considering a park with good tree canopy and natural features. Evaluate and pursue opportunities for a destination nature play area that incorporates water play elements.  Longer Term: Build a permanent nature play area. Develop 2-3 additional nature play areas at parks or along trail corridors that are geographically distributed.								Multi-Year Funding CIP: 1. Park Amenity Improvements 2. Annual Playground Replacement  FY 19-20: 3. Lawrence-Mitty Park  FY 21-22: 4. Memorial Park - Specific Plan Design								1, 2. Monta Vista and Varian parks are being considered for implementation of nature play elements as part of the Park Amenity Improvements project.  Additional parks will be considered for implementation of nature play elements as part of the Park Amenity Improvements and Annual Playground Replacement projects.  3. Develop a neighborhood park on several acres of land adjacent to Saratoga Creek, near the intersection of Lawrence Expressway and Mitty, which is currently owned by the County and within the City of San Jose. Acquire the land, annex the land, design and construct the park. Nature play amenities will be considered for implementation at this park.  4. The proposed project would include the development of a conceptual design for Phase One, incorporating findings from the Master Plan process and building upon the considerable input gained from the community. Features to be considered include adding a playable water feature.

Universal/All-Inclusive Play Areas	Opportunity								Potential Elements <small>[Amenities, program options and uses will be determined through site master plans, facility business plans, and market studies]</small>								Phasing/Options								Implementation																
	<p>Support all-inclusive and universal play by providing a destination universal / all-inclusive play area and adding additional inclusive elements at existing play areas.</p>								<p>-play area designed for all ages and abilities -stimulation for multiple senses (tactile/touch; auditory/hearing; visual/sight; gustatory/taste; olfactory/smell; proprioception [body awareness]; vestibular processing [understanding changes in location, orientation in space, and balance]; and interception) -parallel play with different levels of challenge -shade -accessible and diverse seating arrangements</p>								<p>Short Term: Plan, design and build a destination all-inclusive play area. Incorporate Feasibility Study findings. Evaluate and pursue opportunities to add inclusive play options citywide at additional park sites that are geographically distributed.</p> <p>Longer Term: Implement opportunities to integrate other universal play elements (e.g., swings, slides) that are geographically distributed at existing play areas when replacing play equipment at the end of its lifecycle or renovating a park site. Emphasize community parks and large neighborhood parks for installation of more extensive universal/all-inclusive elements.</p>								<p>FY 19-20: 1. Inclusive Play Area - Planning  FY 20-21: 2. All-Inclusive Playground  Multi-Year Funding: 3. Park Amenity Improvements 4. Annual Playground Replacement</p> <p>1, 2. The City has addressed an inclusive play area through two capital improvement projects to date: Inclusive Play Area - Planning and All-Inclusive Playground. These items also work towards the goals set for the All Inclusive Playground project in FY 2019-20 City Work Program.  3, 4. Under the Park Amenity Improvements and Annual Playground Replacement projects, inclusive elements will be considered for a variety of existing parks. Inclusive elements will also be considered for all future City park projects.</p>

## Improved Outdoor Event Space -- Citywide Events

[illegible]

Improved Outdoor Event Space-- Neighborhood Events		Opportunity								Potential Elements <small>(Amenities, program options and uses will be determined through site master plans, facility business plans, and market studies)</small>								Phasing/Options								Implementation																			
		Provide event space to support small group events, programs and outdoor classes (50-500 people).  Smaller event spaces could accommodate neighborhood movies, small performances, cultural events, meet-up group activities, mobile programming and outdoor classes, such as yoga and tai chi, and 'art in the park' activities.								-hardscape -utilities -sloped hillside and stage -portable stage, screen and other equipment -lawn area -shade -pavilion or outdoor classroom with movable chairs and tables for flexible program use -support amenities such as restrooms and parking								Short Term: Develop one pilot project. Provide hardscape/softscape areas and access to power.  Longer Term: Identify and plan projects for 1-2 additional sites. Include an outdoor pavilion or space to accommodate a portable stage.								Programming: 1. Neighborhood Events										1. Neighborhood Events has featured several cultural events in parks across Cupertino. The Parks and Recreation Department's goal moving forward is to provide a minimum of three cultural events and art events as part of the summer program luneup. This works towards the FY 2019-20 City Work Program item for Arts and Cultural Festivals and Programs.

Multi-Use Sport Fields	Opportunity								Potential Elements <small>(Amenities, program options and uses will be determined through site master plans, facility business plans, and market studies)</small>								Phasing/Options								Implementation																
	Increase the playing capacity of existing sports fields. If feasible, add new multi-use rectangular fields. Address needs for fields if an existing field is displaced by new facility development.								-regulation-size rectangular field lined for soccer, multi-use -regulation-size diamond field designed for baseball/softball - diamond field with rectangular field overlay where feasible -turf or artificial turf -field lighting, if feasible -amenities such as bleachers, dugouts, concessions, and shade								Short Term: Explore options to keep the existing ball field at Memorial Park as part of the site master planning process. Explore joint use agreements with schools to provide additional access to existing sport fields. Evaluate and implement changes to field scheduling to increase capacity and usage.  Longer Term: Continue to improve amenities at existing fields. Acquire ownership or use of other site(s) as opportunities arise.								1. Athletic Field Use Policy								1. The updated Athletic Field Use Policy was reviewed and approved by City Council on May 4, 2021. This completes the FY 2019-20 City Work Program item to assess the Athletic Field Use Policy, including Sunday reservation feasibility.

Dog Park(s)/Dog Off-Leash Area(s) (DOLA)	Opportunity								Potential Elements <small>[Amenities, program options and uses will be determined through site master plans, facility business plans, and market studies]</small>							Phasing/Options						Implementation																																																																																														
	Provide additional dog parks, smaller dog runs, and/or off-leash areas.								<ul style="list-style-type: none"><li>-unfenced off-leash area; may be temporary or permanent and demarcated by signage, cones or similar features</li><li>-smaller dog run, mid-size dog area, or full size dog park with different fenced areas for small and large dogs</li><li>-fence, suited to character of park</li><li>-double entry gate</li><li>-turf, decomposed granite, other suitable surfacing, or combination</li><li>-dog waste dispensers</li><li>-dog drinking stations</li><li>-water pools</li><li>-seating and picnic tables</li><li>-shade shelter</li><li>-lighting</li><li>-topography and landscaping</li></ul>							<p>Short Term: Identify potential sites and determine neighborhood support. Respond to residents' request for a trial off-leash dog area. If implemented and successful, pursue at additional suitable sites.</p> <p>Longer Term: Develop dog runs, off-leash areas or dog parks. Note: the timing may be considered in conjunction with park site master planning.</p>						<p>Multi-Year Funding:</p> <p>1. Park Amenity Improvements</p> <p>City Work Program:</p> <p>2. Jollyman Park DOLA Trial</p> <p>1. The Park Amenity Improvements project includes the assessment of 18 parks and special use sites for possible implementation of additional DOLAs. This project also progresses the work on the FY 20-21 City Work Program item to identify appropriate sites for the establishment of an additional DOLA.</p> <p>2. The DOLA trial at the Jollyman Park ballfield is currently underway. Research for a second location has been performed and will be presented to the Parks and Recreation Commission for review/recommendation to City Council. This trial also progresses work on the FY 2019-20 City Work Program item calling for the review of athletic fields for use as DOLAs.</p>

# Gymnasium Complex & Multi-use Recreation Center

[illegible]

# Performing/Fine Arts Center

Performing/Fine Arts Center	Opportunity								Potential Elements [Amenities, program options and uses will be determined through site master plans, facility business plans, and market studies]								Phasing/Options				Implementation																					
	Explore partnership opportunities to provide performing/fine arts space. If a new facility is warranted and desired in the future, develop a community auditorium and/or fine and performing arts center to house community-scale performances and support daytime arts and recreation programs as well as evening programs and events.								-industry-standard stage -professional lighting -sloped floor, fixed seating -pull-down screen -dressing rooms -restrooms -backstage storage -box office, lobby, concessions -smaller theater/rehearsal space -dance studio/floor -recording & television studio -arts wing for drawing, painting, photography, theater, dance, music/voice lessons -arts/crafts/ceramics spaces -practice/instruction rooms -reservable multi-purpose room-dance studio/floor -maker/incubator space (computer lab, graphics & animation studio, industrial shop) -catering kitchen -offices -storage -outdoor (or indoor/outdoor) event space or art plaza -ceramics/crafts/art spaces -nearby parking								Short term: Explore partnership and joint use opportunities with high schools and DeAnza College or other potential partners with existing performing arts space to meet immediate needs. If a new city facility is desired, prepare a market analysis and business plan to evaluate site selection and potential program elements and define anticipated operating costs.  Longer term: If a new facility is warranted and desired, plan, design, develop and operate a performing and fine arts center with arts wing.
