WRITTEN COMMUNICATIONS

OLD BUSINESS

- 2) Subject: McClellan Road Class IV Bike Lane Implementation (Stillman)
Recommended Action: Discuss McClellan Road Class IV Bike Lane Layout and Implementation (Stillman)

David presented detailed plots with measures and geometry drawing along McClellan Road.

At intersection of Orange Ave., 10-foot right-of-way was refused by two residents. The bike lane is adjusted with 5-foot right-of-way was agreed with.

At intersection of Westacres Dr., the Commission recommended narrower pedestrian curb extension and add flashing beacon lighting across McClellan Rd. This intersection will be reviewed again in future meeting.

At intersection of De Anza Blvd., David Stillman mentioned again on the plan of meeting with the property owner of the plaza at the north-western corner before presentation to the Council.

Intersection of other streets were also reviewed again and the Commission has not suggested any further changes.

Jerry Tallinger from PSC raise the concern of debris sweeping on isolated bike lane. David Stillman mentioned the appropriate methodology and technology is available. The cost is yet to be evaluated.

- 3) Subject: Pedestrian Transportation Plan Update (Stillman)
Recommended Action: Discuss Pedestrian Transportation Plan and Recommend Council Adoption of Plan (Stillman)

Draft of the Plan will be available on Internet at City Cupertino website. David Stillman will join Park & Recreation Commission meeting to present the details on December 7th, 2017.

Motion: Jennifer Shearin

Recommend the plan to the Council with the following recommendation.

- Adopt the recommendations of City Transportation Engineer made in item (2) discussion.
- Remove the project of Finch/Calle de Barcelona.

- Adjust scoring by 10 points for School Connectivity for Carmen Road pedestrian bridge and to Regnart Creek Trail project. This will move these items to Tier 1 project.
- Review the cost of the Carmen Road pedestrian bridge.

Second: Erik Lindskog

Results: Approved.

David Stillman also recommend merging of Bicycle and Pedestrian Plans at next major update, and he agreed with Sean Lyn's suggestion to note a 5 or 6 year revision period as text in the Pedestrian Transportation Plan.

NEW BUSINESS

- 4) Subject: Items for Future Agendas

Recommended Action: Discuss Items for Future Agendas

All future agenda was already recommended during previous discussion. The Commission did not add any item.

STAFF AND COMMISSION REPORTS

- 5) Subject: Staff Report (Stillman)

Recommended Action: Receive Staff Report (Stillman)

David Stillman has already delivered all reports in previous discussion and has added no more.

- 6) Subject: VTA BPAC Report (Lindskog)

Recommended Action: Receive VTA BPAC Report (Lindskog)

Did not receive the report.

- 7) Subject: Public Relations Subcommittee Report (Heller)

Recommended Action: Receive Public Relations Subcommittee Report (Heller)

Did not receive the report.

- 8) Subject: Report on Committee assignments and general comments

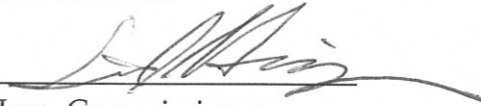

Recommended Action: Report on Committee assignments and general comments

Jennifer Shearin communicated with Library Committee and learned the surveillance camera on the book return site is not currently operational due to strict privacy policy of Santa Clara County. She is working with both City Government and Library Committee to seek possible way to activate the camera use and prevent worsened bike thievery. She also talked about the potential improved design for the bicycle rack in front of the Library entrance.
