APPROVAL OF MINUTES

The Commission postponed approval of the minutes from the April 18 meeting to the June 13 meeting.

ORAL COMMUNICATIONS

- Byron Rovegno reported about creating and posting a list of active bicycle projects and their implementation status (i.e. funded, planning, engineering, ...) on the WBC (Walk Bike Cupertino) website.
- Larry Dean provided a brief update on the Regnart Creek trail outreach. David Stillman indicated August 2018 as the goal for the study report to be complete.
- Caymen Smith introduced himself as student from San Jose State Univ. and his assignment for Political Science class to attend a commission meeting.
- Larry Dean commented on the strong and effective work of the Cupertino Bicycle and Pedestrian Commission

WRITTEN COMMUNICATIONS

OLD BUSINESS

- 1) Bike to Work Day Debrief (Stillman)
 - The Cupertino Bicycle and Pedestrian Commission as well as WBC staffed the Cupertino booth for Bike to Work Day. The booth was setup on N. Stelling Road, and about 120-130 bicyclists came by for refreshments and coffee. For

next year, possibly announce to large employers to increase participation. Big Thank You to all supporters including Hobee's, Abundant Life Church, WBC, City of Cupertino and the Cupertino Bicycle and Pedestrian commissioners.

NEW BUSINESS

2) VTA BPAC Appointment (Stillman)

- Erik Lindskog was the Cupertino representative at the VTA BPAC, and a new term starts July 1, 2018. Pete Heller made a motion to reappoint Erik Lindskog as the Cupertino representative at the VTA BPAC. Seconded by Sean Lyn. All commissioners voted in favor.

3) Calle de Barcelona Bike Boulevard Discussion (Shearin)

- Jennifer Shearin reported about the challenging intersection at Calle de Barcelona and Finch at peak hours (morning) when students are traveling to Cupertino High School. Left turn for bicyclists from Calle de Barcelona to Finch is difficult due to north-bound car traffic on Finch. Various options of improvement were discussed including using a crossing guard, as well as 3-way stop signs. Similar situation exists when taking a left turn from Calle de Barcelona to Miller. This could be solved by a protected left turn on the existing intersection signal. David Stillman will look into this further.

STAFF AND COMMISSION REPORTS

4) Staff Report (Stillman)

- Progress update on McClellan class IV between Imperial Ave. and S. Stelling Rd., as well as Bicycle Blvd. on Portal Ave./Merrit Dr. and Greenleaf Dr., as well as SCB class IV between Wolfe Rd. and Tantau Ave.
- Study session started on UPRR trail (Historic DeAnza trail)

5) VTA BPAC Report (Lindskog)

- No report given.

6) Public Relations Subcommittee Report (Heller)

- Pete Heller proposed outreach efforts about bicycling and infrastructure in Cupertino.

7) Report on Committee assignments and general comments

- No report given.

ADJOURNMENT

Meeting adjourned at 8:30 p.m.
