STUDY SESSION:

Subject: Study Session to provide an update on the Accessory Dwelling Unit implementation

Recommended Action: Receive the report and provide any input or direction to Staff

Senior planner, Gian Martire, provided an update on the implementation processes for the City's Accessory Dwelling Unit Ordinance. He was asked questions by the Commissioners, which they answered.

Chair Moore opened the public comment period and the following individual(s) spoke:

Lisa Warren

Jennifer Griffin

Chair Moore closed the public comment period.

The Planning Commissioners discussed the application process. They felt Staff was making good progress in setting up a streamlined, user friendly application process. The Commissioners discussed the need to have a variety of pre-approved plan sets that would include adaptive or inclusionary housing options. They also discussed funding options and potential incentives to encourage low income, teacher, and disabled housing in ADUs. The Planning Commissioners would like to see this item at a future study session to provide additional suggestions as the program evolves.

NEW BUSINESS:

Vice Chair Wang introduced a future agenda item. He would like to review the City's Municipal Code to identify areas that are needing clarity, are confusing, or are in conflict with other sections of the Code.

Chair Moore opened the public comment period and the following individual(s) spoke:

Lisa Warren

Chair Moore closed the public comment period.

Director of Community Development, Ben Fu, stated that this topic could be added to the Planning Commission's Work Program for the upcoming fiscal year.

Chair Moore also said she would like to see the re-instatement of the Senior Commission. Vice Chair Wang stated he would support the re-establishment of the Senior Commission to the City Council in terms of raising awareness of potential necessary changes to density rules and construction methodologies for this population group to plan for future public health emergencies.
