Chris Corrao, Senior Transit and Transportation Planner in the City's Public Works Department and Teresa Whinery, Transportation Planner with Fehr and Peers Traffic Consulting, reviewed the Staff Report and gave a presentation on the methodology to transition from Level of Service (LOS) to Vehicle Miles Traveled (VMT) to the Planning Commissioners. They were asked clarifying questions, which they answered.

Vice Chair Wang opened the public comment period and the following individual(s) spoke:

Jennifer Griffin

Peggy Griffin

Vice Chair Wang closed the public comment period.

The Commissioners discussed the four proposed methods for developing and setting thresholds to reduce Greenhouse Gas Emissions to become compliant with the Statewide reduction targets. After much discussion, the Commissioners requested that Staff incorporate additional data points into the threshold calculations. Staff will bring a Draft Ordinance to the Planning Commission for a recommendation to the City Council.

PUBLIC HEARING: None
