3. Review and Finalize Commission Proposals for the 2020/2021 City Work Program.

The Commissioners reviewed the draft proposals for the 2020/2021 City Work Program. Chair Crabtree reminded the Commission that Staff will select a top 5 to be brought for review by City Council. Chair Crabtree also noted that the Commission had chosen to include the Poet Laureate program in the Work Program, as the Commission's commitments to the program are not documented in the municipal code. The Commissioners discussed Item 4 and noted that the

Housing Commission had mentioned that people have been using the Library for inappropriate uses. Commissioners Pan and Vasanth expressed that Item 4 does not have enough data to reflect that it is an item that should be prioritized on the Work Program. Chair Crabtree noted that it may be helpful to keep as a work program item to support ongoing observation and conversation on the issue. Commissioner Wang requested to correct Poet Laureate Item 6 dates to reflect supporting the 2020/21 poet laureate and transition to next recruitment. Commissioner Wang suggested to make Poet Laureate Item 6 a top priority to provide support to Poet Laureate after selection. Commissioners voted on their top 3 items, resulting with a top 3 of items 1, 2 and 6 from the draft list. Each Commissioner chose their secondary priorities resulting in items 3 and 5 completing the top 5. Chair Crabtree motioned to approve the Library Commission Proposals for FY 2020-2021 Work Program with items 1,2,6, 3 and 5. Commissioner Wang seconded. Motion passed unanimously with 4 yes and Vice Chair Wo absent.

Kaecey McCormick, outgoing poet laureate discussed highlights from her two-year term. The committee interviewed 3 candidates and selected Jing Jing Yang as the next Poet Laureate. Kaecey recommended the Commission accept Jing Jing Yang as the next Cupertino Poet Laureate. Chair Crabtree asked Kaecey for suggestions on how to grow and support the Poet Laureate program. Kaecey highlighted the ability to use the copier at Quinlan, a need to help with administrative portions of the program, a small storage area to store program materials, having a dedicated contact to be able to assist, establishing who pays for the blog, marketing and promoting events, continuing education options for the Poet Laureate (California poet laureate conference), suggested \$500/year as a budget. Jing Jing can work with Clare to connect with the Foundation and Friends of Library to discuss their involvement with the program. Christine will help facilitate administrative support for the incoming poet laureate. \$2,000 is set aside for the Poet Laureate program. Kaecey is anticipating around 50 attendees at the celebration event on February 26th. Chair Crabtree motioned to allocate \$250 to the Poet Laureate celebration, Commissioner Vasanth seconded. Motion passed unanimously with 4 votes yes and Vice Chair Wo absent.

Patrick met with the Chancellor and Interim President and suggested taking the Library Commissioners on a tour of the DeAnza Library

with the Library Director to provide more details on what they currently provide. Patrick mentioned that DeAnza currently has Monta Vista and Cupertino high school students utilizing spaces such as the cafeteria, fireside chat room, and downstairs lounge, which are available for patrons to use. Patrick clarified that all patrons can use the campus Wi-Fi and can reserve meeting spaces online. Commissioner Pan volunteered to work with Patrick to coordinate a tour with the three Teen groups and the Library Commission.

4. Discuss Ideas for Library Commission to Work With Teen Commission Regarding Hosting an Event for Middle School Students.

The Commissioners brainstormed ideas for hosting an event for middle school students. Commissioners mentioned offering tutoring staff or utilizing the Teen Commission to provide homework help for middle school students. Community member Peggy Griffin shared that at a recent Council meeting, a middle school student shared information on free math/science peer tutoring at Monta Vista. Clare reminded that there are liability concerns regarding how the tutors are they trained and what information they are sharing. All volunteers working with children must have a background check. Chris Brown shared that Jennifer Weeks is working on a program that may include peer-to-peer or paid subject experts and will pilot one or two locations. The program is still in planning stages.
