Subject: Study Session for an application by AT&T to locate a personal wireless service facility consisting of 16 panel antennas mounted on an 80 foot tall treepole, a base equipment station, and an emergency power generator at the Cupertino Sports Center located at 21111 Stevens Creek Boulevard.

Provide comments on AT&T's proposed personal wireless facility, and, during the Study Session, facilitate a community engagement forum where residents can comment on and receive additional information on the project.
